The rate for PCAs eligible for new hire orientation is increased from \$48.00 per diem to \$49.56 per diem. The proposed rates noted above include the PCA wage, employer required taxes, and workers' compensation insurance. The proposed increase in rates is pursuant to the terms of the collective bargaining agreement negotiated between the Commonwealth of Massachusetts and the PCA union (1199SEIU) and is in accordance with 101 CMR 309.00: *Independent Living Services for the Personal Care Attendant Program*.

It is estimated that annual aggregate state expenditures will increase by \$20.65 million as a result of these changes. The actual change in annualized expenditures may vary depending on actual utilization of services.
