Executive Office of Health and Human Services
NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday December 11, 2026, at 11:00 a.m. relative to the adoption of amendments to the following regulation.

101 CMR 321.00: Rates for Medical Respite Services

The proposed regulation contains rates effective for dates of service on or after May 1, 2027.

The proposed amendments update the effective date of 101 CMR 321.00 to May 1, 2027, with no changes to the current rates. EOHHS has reviewed the rates established in 101 CMR 321.00 and concludes that the current rates are adequate to meet the costs incurred by efficiently and economically operated facilities providing care and services in conformity with applicable state and federal laws and regulations, including M.G.L. Chapter 118E Section 13C, as well as the quality and safety standards, and which are within the financial capacity of the Commonwealth. The proposed amendments also update terminology to reflect current policy. Additionally, the title of 101 CMR 321.00 is proposed to change from “Rates for Homeless Medical Respite Services” to “Rates for Medical Respite Services.”

EOHHS is proposing these changes, subject to federal approval, to ensure that payments are consistent with efficiency, economy, and quality of care and satisfy the requirements of M.G.L. 118E, sections 13C and 13D. There is no fiscal impact associated with the proposed amendments. There is no fiscal impact on cities and towns. The proposed amendments are not anticipated to impose new costs on small businesses, and any impact on small business providers will vary based on the volume of services provided.
