NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Monday, May 20, 2024 at 11:00 a.m. relative to the adoption of amendments to the following regulation.

101 CMR 343.00: Rates for Hospice Services

The proposed regulation contains rates effective for dates of service on or after October 1, 2023. There is no fiscal impact on cities and towns.

Pursuant to M.G.L. c. 118E, s. 13D, the Executive Office of Health and Human Services (EOHHS) is required to biennially establish rates for non-institutional health care services, which includes hospice services provided under the MassHealth program. Additionally, the Centers for Medicare & Medicaid Services (CMS) annually sets the minimum Medicaid hospice rates, which are to be effective on October 1 of each year, and which EOHHS uses as the base rates.

EOHHS has reviewed CMS' Hospice Wage Index and Payment Rate Update for Federal FY 2024 and has applied CMS methodology to the previous rate period for MassHealth Hospice rates. The percentage change in individual rates between the previous rate period ending September 30, 2023, and this year range from 1.84% to 5.03% for both compliant and noncompliant rates.

Pursuant to 101 CMR 343.04(3)(b), the rates for hospice services were previously updated via Administrative Bulletin 24-05, and in accordance with CMS-required changes to these rates. The estimated aggregate annual fiscal impact for MassHealth is an increase of \$183,597 (2.84%), assuming all providers are compliant, and \$182,853 (2.88%), assuming all providers are noncompliant.
