NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, September 13, 2024, at 1:00 p.m. relative to the adoption of amendments to the following regulation.

101 CMR 315.00: Rates for Vision Care Services and Ophthalmic Materials

The proposed regulation contains rates effective for dates of service on or after February 1, 2025.

The proposed amendments increase the current rates by a prospective cost adjustment factor (CAF) of 2.66%, excluding any rates established as Individual Consideration (IC). This CAF was calculated using a base period of quarter four of calendar year 2024, and a two-year prospective rate period of quarter one of calendar year 2025 through quarter four of calendar year 2026. The CAF was calculated using the Massachusetts-specific Consumer Price Index (CPI) Fall 2023 forecast developed by IHS Markit Economics. Rates for certain dispensing services (codes 92340, 92340 RB, 92341, 92341 RB, 92342, and 92342 RB) are proposed to be further increased by an administrative adjustment of 6.5%.

EOHHS is proposing these changes, subject to federal approval, to ensure that payments are consistent with efficiency, economy, and quality of care and satisfy the requirements of M.G.L. 118E, sections 13C and 13D. It is estimated that annual aggregate MassHealth expenditures will increase by \$694,000 as a result of the proposed amendments. There is no fiscal impact on cities and towns. The proposed amendments are not anticipated to impose new costs on small businesses, and any impact on small business providers will vary based on the volume of services provided.
