Regulation 130 CMR 449.000 sets forth the requirements, conditions, and limitations for MassHealth-covered correctional facility services. At this time, the covered services will include only the pre-release services required by federal law to be provided in the 30 days prior to release to post-adjudication eligible juveniles by Section 5121 of the Consolidated Appropriations Act 2023, namely targeted case management (TCM) and screenings and diagnostics. The associated rates for covered services are listed in the appropriate existing rate regulations.
