NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Monday, December 1, 2025, at 10 a.m. relative to the emergency adoption of amendments to the following regulation.

101 CMR 101 CMR 317.00: *Rates for Medicine Services*

The proposed amendments to 101 CMR 317.00 add correctional facility as an eligible provider and establish a new code and corresponding modifier, T2023-U1, with a monthly rate of \$269.99 per member for pre-release case management services. The proposed monthly rate was developed based on the current per diem rate of \$21.92 for the community support program for individuals with justice involvement (CSP-JI, code H2016-HH) services established in 101 CMR 362.00: *Rates for Community Support Program Services*, using appropriate utilization assumptions. The proposed amendments are planned to be promulgated via the emergency regulation process and are anticipated to be promulgated with rates effective for dates of service on or after November 7, 2025.

EOHHS is proposing these changes, subject to federal approval, to ensure that payments are consistent with efficiency, economy, and quality of care and satisfy the requirements of M.G.L. 118E, sections 13C and 13D. It is estimated that annual aggregate MassHealth expenditures will increase by \$108,000 as a result of the proposed amendments. There is no fiscal impact on cities and towns. The proposed amendments are not anticipated to impose new costs on small businesses, and any impact on small business providers will vary based on the volume of services provided.
