NOTICE OF PUBLIC HEARING

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, April 3 at 1 p.m. relative to the adoption of amendments to the following regulation.

101 CMR 343.00: Rates for Hospice Services

The proposed regulation contains rates effective for dates of service on or after October 1, 2025. There is no fiscal impact on cities and towns.

Pursuant to M.G.L. c. 118E, s. 13D, EOHHS is required to biennially establish rates for non-institutional health care services, which includes hospice services provided under the MassHealth program. The Centers for Medicare and Medicaid Services (CMS) sets the minimum Medicaid hospice rates that EOHHS uses as the base rate. CMS sets these rates that are effective on October 1 of each year.

EOHHS has reviewed CMS' Hospice Wage Index and Payment Rate Update for Federal FY 2026, and has applied CMS methodology to calculate the proposed MassHealth Hospice rates. The percentage changes in individual rates between last year and this year range from -0.92% to 10.57% for compliant rates and -0.93% to 10.57% for non-compliant rates.

Pursuant to 101 CMR 343.04(3)(b), the rates for hospice services were previously updated via [Administrative Bulletin 26-01](#), and in accordance with CMS required changes to these rates. The estimated aggregate annual fiscal impact for MassHealth is an increase of \$289,102 (4.38%), assuming all providers are compliant, and an increase of \$277,100 (4.37%), assuming all providers are non-compliant.
