Executive Office of Health and Human Services**

**NOTICE OF PUBLIC HEARING**

Under the authority of M.G.L. c. 118E and in accordance with M.G.L. c. 30A, the Executive Office of Health and Human Services (EOHHS) will hold a remote public hearing on Friday, May 15, 2026, at the respective times listed below relative to the adoption of amendments to the following regulations.

Pursuant to M.G.L. Chapter 118E, Section 13D (f/k/a Chapter 257 of the Acts of 2008), EOHHS is required to establish by regulation and biennially review rates to be paid by governmental units to providers of social service programs. In accordance with this requirement, the rates for young parent support services and in-home basic living supports are being updated to include an increase by a cost adjustment factor (CAF) of 3.00%. The CAF was determined by using baseline and prospective Massachusetts Economic Indicator data from IHS Economics – Fall 2025 Forecast, baseline scenario data. The CAF reflects the period between the rates' base period (calendar year 2026 Q2) and the prospective period of fiscal years 2027 and 2028. The rates for these services have been updated with the weighted average expenses from the FY24 Uniform Financial Statements and Independent Auditor's Reports (UFRs) for services' programmatic costs where applicable. Staff salaries have been benchmarked to the Massachusetts Bureau of Labor Statistics (BLS) median wages as dated May 2024 at the 53<sup>rd</sup> percentile. The tax and fringe rate has been benchmarked to 24.97% and the administrative allocation has been benchmarked to 12%. The increase in spending in FY27 will be covered through the Chapter 257 Reserve Account.

The proposed regulations contain rates effective for dates of service on or after July 1, 2026. There is no fiscal impact on cities and towns.

**1. 9:30 a.m.: 101 CMR 425.00: Rates for Certain Young Parent Support Programs**

101 CMR 425.00 governs the payment rates for certain young parent support programs provided to publicly aided individuals by governmental units. These services are purchased by the Department of Transitional Assistance.

The total annualized cost to state government from the increase in rates amended by this regulation is \$330,178, which represents an increase of approximately 6.63% over FY25 spending of approximately \$4.98 million.

**2. 10:00 a.m.: 101 CMR 423.00: Rates for Certain In-Home Basic Living Supports**

101 CMR 423.00 governs the rates paid by governmental units for certain in-home basic living supports provided to publicly aided individuals. Services with rates established by this regulation are purchased by the Department of Developmental Services, the Massachusetts Commission for the Blind, and MassAbility.

The regulation is also being amended to include an assistive technology rate to help programs monitor staffing and clients remotely. At the same time, as requested by the Department of Developmental Services and agreed to by the other agencies, the number of rates is being reduced from 11 to four to improve cost utilizations.

The total estimated annualized cost to state government from the increase in rates established by this proposed amendment is \$8.2 million, which represents an increase of 8.53% over FY25 spending of approximately \$96.38 million.
