RE:

FCC Form 1240 and 1205 Rate Filings

CUID #s: See attached listing

Dear Ms. Williams:

In an effort to keep you informed, I am writing to tell you that Comcast Cable Communications, LLC ("Comcast" or "Company") is changing the annual filing date of its FCC rate filings to February 1, 2011. Filings for subsequent years will also occur on February 1 unless otherwise notified.

The attached listing of communities would have typically received its annual FCC Forms 1240 and 1205 rate filings on an earlier filing cycle. The later filing date follows the FCC Form 1240 instructions and FCC rules that permit cable operators to adjust basic service tier and associated equipment and installation rates ninety (90) days after the filing date.

Typically, Comcast adjusted regulated rates in these communities on February 1 each year. This new filing date means that the implementation of the new pricing structure for regulated rates will occur on May 1, 2011. In accordance with FCC rules, the Company will notify the communities of its intention to adjust rates at least thirty (30) days prior to implementation of any new prices.

Please feel free to contact me directly if you have any questions or concerns. I can be reached at 603-695-1468.

Sincerely,

Mark L. Renaud

Director of Regulatory Accounting
