

Massachusetts Department of Environmental Protection
 Bureau of Water Resources – Water Management Act Program
Notification of Water Use Restriction (PWS)

Important: When filling out forms on the computer, use only the tab key to move your cursor - do not use the return key.

MassDEP regulations (310 CMR 22.15(8)) require that all public water systems establishing mandatory restrictions on water use notify the Department in writing within 14 days of the effective date of these restrictions. This notice must include a description of the appropriate regulations, bylaws or ordinances imposing the restriction. Proper completion and submission of this form may serve as that notification. MassDEP also requests that systems implementing a voluntary water use restriction, amending, or ending a restriction, complete and submit this form. **Please return this form to: MassDEP WMA Program, 100 Cambridge St. Suite 900, Boston MA 02114 or email to: dep.wma@mass.gov**
