February 6, 2023

Mr. Stephen Totino
Executive Director of Finance
Notre Dame Health Care
555-559 Plantation Street
Worcester, MA 01605

Dear Mr. Totino:

I am writing regarding your request for an extension on DoN Project # NDHCV 20080409-CL. You anticipated starting construction in early 2023, however your contractor is terminating their business in April 2023, thereby causing a delay in your construction timeline. Based on this delay, the Determination of Need Program is granting an extension through June 30, 2025.

We request that you send an email to: DPH.DON@MassMail.State.MA.US when you have met the following milestones:

1. When you have selected your new contractor.
2. When you commence with construction.
3. Provide a construction update the first week of July 2024.

I can be reached at (508) 951-4981 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Dennis Renaud".

Dennis Renaud
Director, Determination of Need Program
Massachusetts Department of Public Health
