¹This report covers the individuals who were referred to DMH (54) during the month of November. 52 individuals were placed in November. 2 were placed in December.

² Length of stay is calculated as the number of days between when a patient is placed from when DMH receives a referral.

³ In November, 87% (47) of referrals were placed within 3 days. 13% (7) were placed in 4-32 days.

⁴ The referral with a LOS of 32 days was a unique case. She could only go to a specialized DD unit and was a Rhode Island resident. The facilities were outside of DMH jurisdiction.

⁵ Year-to-date, 83% (322) of referrals were placed within 3 days.

⁶ ACO/MCO data includes the PCC Plan.

⁷ Of the 54 November referrals, 16 had state agency engagement.
