Advisory: Newton, Weston

TONIGHT: Overnight Closure of I-90 Ramp

Ramp closure in place tonight, Friday, November 21, and Saturday, November 22, from 10:00 p.m. to 6:00 a.m. the following morning

NEWTON/WESTON – The Massachusetts Department of Transportation (MassDOT) is announcing overnight closures of the ramp from I-90 eastbound and westbound to I-95 (Route 128) southbound in Newton and Weston. This ramp will be closed tonight, Friday, November 21, and Saturday, November 22, from 10:00 p.m. to 6:00 a.m. the following morning.

Drivers seeking to access I-95 (Route 128) southbound from I-90 eastbound and westbound will be rerouted to I-95 (Route 128) northbound, where they can take exit 41 to reverse direction and continue onto I-95 (Route 128) southbound.

This closure is necessary for crews to safely conduct construction operations related to the Newton/Weston bridge rehabilitation project at the I-90/I-95 (Route 128) interchange.

Drivers traveling through the affected areas should expect delays, reduce speed, and use caution.

Appropriate signage, law enforcement details, and advanced message boards will be in place to guide drivers through the work area.

All scheduled work is weather dependent and subject to change without notice.

For more information on traffic conditions, travelers are encouraged to:

- Download the Mass511 mobile app or visit www.mass511.com to view live cameras, travel times, real-time traffic conditions, and project information before setting out on the road. Users can subscribe to receive text and email alerts for traffic conditions.
- Dial 511 and select a route to hear real-time conditions.
- Follow @MassDOT on X (formerly known as Twitter) to receive regular updates on road and traffic conditions.
