November 27, 2020

Dear Competitive Suppliers and Licensed Competitive Supply Brokers,

On March 10, 2020, the Governor of the Commonwealth of Massachusetts declared a state of emergency in response to the Coronavirus ("COVID-19"). On March 24, 2020, the Department of Public Utilities (the "Department") requested that all Competitive Suppliers and Licensed Competitive Supply Brokers cease door-to-door marketing activities until the Department rescinded that request or the state of emergency in the Commonwealth of Massachusetts was lifted, whichever came first. On August 3, 2020, following a significant decrease in COVID-19's rate of transmission, the Department rescinded this initial request.

Recently, there has been a significant increase in COVID-19's rate of transmission. To ensure proper risk management and to prevent the spread of COVID-19, we again request that you cease all door-to-door marketing activity until the Department rescinds this request or the state of emergency in the Commonwealth of Massachusetts is lifted, whichever comes first.

Should you have any questions, please do not hesitate to contact our Consumer Division's Assistant Director, Joseph M. Truschelli, at (617) 939 6113.

Sincerely,

/s/

Matthew H. Nelson
Chair
