DentaQuest

Board members had previously reviewed a memorandum from General Counsel Donna Levin regarding the complaint filed by several orthodontists accepting MassHealth alleging the unlicensed practice of dentistry by orthodontists employed by DentaQuest, the MassHealth dental administrator. At this meeting, members were presented with a response to Attorney Levin's memo by the attorney representing the complainant-orthodontists, as well as letters from Robert Chavez, DDS and from the Massachusetts Association of Orthodontists signed by its President and the Deans of the three Massachusetts dental schools in support of the complainant-orthodontists. Dr. Mouhab Rizkallah, one of the complainant-orthodontists, presented several PowerPoint slides with explanation to the Board. Dr. Brent Martin, Dental Director of MassHealth, and Dr. Jim Thomas, DentaQuest Clinical Director, answered questions from Board members. Also in attendance were Attorney Coale Parker, representing DentaQuest, and Attorney Sharon Boyle, Chief MassHealth Counsel. DPH General Counsel Donna Levin commented that she had insufficient time to review the case law in Attorney Rosen's memorandum and will provide a legal analysis at the Board's November meeting.

##### **--Meeting Updates: November, December and Calendar 2014-2015**

Members were reminded of dates for the two remaining meetings this year, and calendar of meetings for the coming two years was distributed.

**Reconsideration of Prior Board Action—Executive Director Barbara Young, RDH**

**--In the Matter of DEN-2013-0012: Dr. Bashar Zyoud**

**Discussion:** Members reviewed the previous sanction and noted that another licensee had received six months stayed probation for the same violations.

**Motion** **To deny reconsideration.**

**Motion Made By** Dr. Stephen DuLong

**Second** Dr. Cynthia Stevens

**Vote** **Yea:** Dr. Stephen DuLong; Dr. Milton Glicksman; Dr. John Hsu; Dr. Roderick Lewin; Dr. Cynthia Stevens; Ms. Jacyn Stultz, RDH; Ms. Ailish Wilkie, CPHQ; Ward Cromer, Ph.D.

**Complaint Resolution—Pending Board Cases—Sarah Millar**

**--In the Matter of DEN-2013-0032: Dr. Madhuri Kavi**

**Allegation:** Infection control violations

**Discussion:** Members reviewed the Investigative Report. Licensee was given permission to address the Board by the acting Chair. Licensee has withdrawn her application for nitrous oxide-oxygen permit and indicates she had no malicious intent by not conducting weekly spore tests. Licensee also assumed that dental hygienists who had worked for many years in this practice recently purchased by the Licensee were complying with infection control regulations. Board members inquired as to whether the licensee had taken the required Infection Control continuing education; she replied in the affirmative. Since an allegation was made to the Investigator that Karen Rafeld of the Massachusetts Dental Society had advised Licensee's office that weekly spore testing was not required, Executive Director Barbara Young will make a courtesy call to Ms. Rafeld regarding this matter.

**Motion:** To offer Probation for 6 months, and to include the following continuing education:  
Full Day: Risk Management  
Full Day: Infection Control

**Motion Made By:** Dr. Milton Glicksman

**Vote:** Unanimous

**Recused:** Dr. Roderick Lewin recused at 11:32 a.m. and returned at 11:41 a.m.

**Justification:** • Licensee violated 234 CMR 5.05 (1) by failing to conduct weekly spore tests, failing to maintain an in-office sterilization record, failing to sterilize dental hygiene slow speed handpieces, failing to wrap instrument cassettes, and failing to disinfect impression trays.

**--In the Matter of DEN-2013-0035: Dr. Ronald Kehney**

**Allegation:** Infection control violations

**Discussion:** This Licensee is previous owner of the practice in DEN-2013-0032, having sold the practice to that licensee on July 10, 2012, approximately eight months prior to the compliance inspection. Licensee claims that throughout his 45-year practice he was unaware of the requirement for weekly spore testing. Members reviewed the Investigation Report.

Full Day: Infection Control
