

# Commonwealth of Massachusetts

Electric Vehicle Infrastructure Coordinating Council

---

MEETING 8

October 5, 2023 | 1–3:30 p.m.  
via Zoom

# Housekeeping: roll call

<b>Member</b>	<b>Agency / organization</b>
CHAIR: Undersecretary Michael Judge	Executive Office of Energy and Environmental Affairs
Senator Mike Barrett	Chair, Joint Committee on Telecommunications, Energy, and Utilities
Undersecretary Layla D'Emilia	Executive Office of Economic Development
Aurora Edington	Department of Energy Resources
Brian Ferrarese	Department of Environmental Protection
Laura Gilmore	Massachusetts Bay Transportation Authority
Representative Jeffrey Roy	Chair, Joint Committee on Telecommunications, Energy, and Utilities
Commissioner Staci Rubin	Department of Public Utilities
Undersecretary Monica Tibbets-Nutt	Department of Transportation
TBD	Executive Office of Administration and Finance
Eric Bourassa	Metropolitan Area Planning Council

# Housekeeping: approval of meeting minutes

---

1. Motion and second to approve

2. Any changes to the minutes:

Correction: change Secretary Layla d'Emilia to Undersecretary Layla d'Emilia

3. Roll call vote

# Introduction to overall meeting schedule

---

Thursday, November 30, 2023  
1–3:30 p.m.

Topics / updates on:

- Workforce development
- State fleet
- Future needs and impacts
- Procurement
- Curbside charging
- Medium- and heavy-duty fleets
- EJ populations
- Grid impacts
- Funding plan

# Introduction to overall meeting schedule

---

Wednesday, February 7, 2024  
1–3:30 p.m.

Topics / updates on:

- Standardization and regulations
- Procurement
- Curbside charging
- Medium- and heavy-duty fleets
- EJ populations
- Dense urban
- Future needs and impacts

# Introduction to overall meeting schedule

---

Wednesday, April 3, 2024  
1–3:30 p.m.

Topics / updates on:

- Garaging data
- Procurement
- Curbside charging
- Medium- and heavy-duty fleets
- EJ populations

# Introduction to overall meeting schedule

---

Wednesday, June 5, 2024  
1–3:30 p.m.

Topics / updates on:

- Highway charging
- Technologies
- Procurement
- Curbside charging
- Medium- and heavy-duty fleets
- EJ populations

# Introduction to overall meeting schedule

---

Wednesday, August 7, 2024  
1–3:30 p.m.

Topics / updates on:

- Car sharing
- Procurement
- Curbside charging
- Medium- and heavy-duty fleets
- EJ populations

# Presentation: Synapse

---

# Presentation: MassCEC / VEIC

---

# Proposed working groups

## State and municipal procurement

From the initial assessment:

EEA and DOER will work with other agencies (e.g., Operational Services Division (OSD), MassDEP, the Department of Capital Asset Management and Maintenance (DCAMM), the Massachusetts Clean Energy Center (MassCEC), MassDOT, and the MBTA) and cities and towns responsible for procuring EVSE to coordinate procurement processes, and, if necessary, develop recommendations for the legislature to align processes. The EVICC will collaborate with **state fleet operators** to collect data to determine the highest priority locations for electric vehicle charging at state facilities and direct resources to facilitate charging installations at those locations.

Potential members:

1. Department of Energy Resources\* (DOER)
2. Massachusetts Department of Environmental Protection\* (MassDEP)
3. Massachusetts Department of Transportation\* (MassDOT)
4. MBTA\* or MAPC
5. Operational Services Division (OSD)
6. Department of Capital Asset Management and Maintenance (DCAMM)
7. Massachusetts Clean Energy Center (MassCEC)
8. PowerOptions

\* Indicates EVICC members; five or more EVICC members constitutes a quorum

# Proposed working groups

---

## Curbside charging

From the initial assessment:

DOER will work with municipalities to develop guidance and support for programs to expand curbside charging and overnight charging infrastructure for tenants and garage orphans.

Potential members:

1. Department of Energy Resources\*
2. Metropolitan Area Planning Council\*

\* Indicates EVICC members; five or more EVICC members constitutes a quorum

# Proposed working groups

---

## Medium- and heavy-duty fleets

From the initial assessment:

The EVICC will incorporate data on the need for charging station and infrastructure upgrades associated with electrification of medium- and heavy-duty **fleets**.

Potential members:

1. MassCEC

\* Indicates EVICC members; five or more EVICC members constitutes a quorum

# Proposed working groups

---

## Environmental justice

From the initial assessment:

Executive branch agencies will focus the deployment of publicly available funds for environmental justice populations and into rural areas, with a particular focus on reaching low-income residents, to ensure that the transition to electric vehicles is equitable.

Potential members:

1. Executive Office of Energy and Environmental Affairs\*
2. Labor and Workforce Development

\* Indicates EVICC members; five or more EVICC members constitutes a quorum

# Public comment

---

# Wrap-up and adjourn

---

Next meeting:

Thursday, November 30, 2023  
1–3:30 p.m.

Agenda and Zoom link will go out shortly.
