

# Helping people in Massachusetts achieve their financial goals.

## What is the Office of Economic Empowerment?

The Office of Economic Empowerment (OEE), part of the Massachusetts State Treasury, offers free financial education and programs to help individuals and families across the state **build wealth and plan for the future.**

## How can OEE Help You?

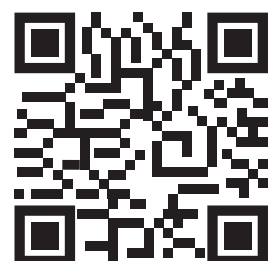

**Take a financial wellness checkup.** Create a digital financial education account for free on Enrich and get a personalized plan to achieve your goals.

**Attend a financial education workshop.** Each year, OEE offers live personal finance workshops in English and Spanish. Sign up for an upcoming workshop or browse our catalog on YouTube.

**Claim \$50 in education savings with BabySteps.** Every child in Massachusetts can receive this free deposit to kickstart saving in a MEFA U.Fund 529 College Investing Account.

**Want to bring OEE's free programs to your organization or community?**
