Additional Information for Research Subrecipients

Read, complete, and sign **Addendum 2: For Research Grants Only (Human Subjects Protection)**.

Subrecipients of Federal Grant Funds

- Subrecipients receiving federal grant funds administered by OGR, must comply with **three sets of general grant conditions**: (1) federal conditions; (2) state conditions; and (3) OGR conditions. These three sets of general grant conditions are addressed in this primary document.

Federal Conditions

Federal conditions are based on laws passed by Congress, regulations issued by the federal department making the funds available and published in the Code of Federal Regulations (CFR), and financial guidance also created by the federal department making the funds available. Additionally, in most cases, there are requirements and conditions associated with specific federal grant-streams, which are not conditions of receipt of federal funds generally.

Note: See Addendum 5 for specific conditions associated with a specific federal grant-stream.

State Conditions

State conditions are established in laws passed by the Massachusetts Legislature and orders and rules established by the governor. They are referenced in the Standard Contract Form itself and, in the pages attached to it.

OGR Conditions

OGR conditions outline the further administrative requirements for each grant award established by the Executive Office of Public Safety and Security (EOPSS) and Office of Grants and Research (OGR).

Subrecipients of State Grant Funds

- When receiving a grant award from state funds administered by OGR, subrecipients must comply with **two sets of general grant conditions**: (1) state conditions and (2) OGR conditions as described in the section above.
- State conditions are established in laws passed by the Massachusetts Legislature and in orders and rules established by the Governor. They are referenced in the Standard Contract Form itself and, in the pages, attached to it.
- OGR conditions outline the further administrative requirements for each grant award established by the EOPSS and OGR. They are included in this document.

Federal Grant Fund Conditions

The basic federal grant conditions below apply to all federal grants, regardless of the federal department making the funds available.

- **Audit Requirements of Federal Funds**
 - [2 CFR 200 Subpart F Audit Requirements](#) apply to each non-profit organization, institution of higher education, and local governments as a whole when they or one of their departments receives federal funds. Any non-profit organization, institution of higher education, or local government spending more than \$750,000 in federal funds *from all sources* within 12 months must have an audit performed on the use of the funds. OGR defines the 12 months as July 1 to June 30. The above webpage provides the full text of this basic federal grant requirement:
- **Unique Entity Identifier (UEI) and System for Award Management (SAM)**
 - All subrecipients of federal funds must have a 12-character alphanumeric UEI ID. For more information: Visit [SAM.gov | Home](#)
 - All subrecipients of federal funds must maintain annual registration in the SAM database: [SAM.gov | Home](#)
- **Transparency Act Reporting for Federal Funds**
 - The Federal Funding Accountability and Transparency Act (FFATA) requires EOPSS to report on a federal website specific award and subrecipient identifying information for each award greater than **\$30,000** OGR makes with federal funds it received after October 1, 2010. Prior to receiving funds, certain affected subrecipients must report certain information to OGR so that EOPSS may fulfill its FFATA reporting requirements. Data reported by EOPSS may be viewed at [www.USASpending.gov](#).
- **Cost Principles for Federal Grants to non-federal entities, including *State and Local Governments, Non-Profit Organizations, and Institutions of Higher Education***

- [2 CFR Part 200 Subpart E](#) – Cost Principles. These regulations list and define general categories of costs that are both allowable and unallowable. Examples are included below.
 - The cost of alcoholic beverages is unallowable.
 - Costs incurred by advisory councils are allowable.
 - Audit costs are allowable.
 - Compensation costs are allowable so long as they are consistent with that paid for similar work in other activities of the local government.
 - Entertainment costs are unallowable.
 - Equipment costs are allowable with the prior approval of OGR. Equipment having a useful life **of more than one year** or a current per-unit fair market value of **\$5,000 or more must be tracked**. When replacing equipment purchased with federal funds, the equipment to be replaced may be used as a trade-in or can be sold with the proceeds used to offset the cost of the replacement equipment. In addition, during the period of the contract with OGR, insurance on the equipment is allowable. Information required to be captured and recorded appears in **Addendum 4**.
 - Travel costs are allowable if pre-approved by OGR and if they are consistent with costs normally allowed in like circumstances for non-federally funded activities.
 - If a subrecipient uses grant funds to pay its employees, the subrecipient must maintain timesheets for work performed with the grant funds. Timesheets must show the hours worked and must be signed by the employee paid with the grant funds.

2 CFR 200.214 Suspension and Debarment

Non-Federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, [2 CFR part 180](#). The regulations in [2 CFR part 180](#) restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

 - In the event a federal or state court or federal or state administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against a recipient of funds, you must forward a copy of the finding to the Office for Civil Rights, Office of Justice Programs and to OGR.
 - In accordance with federal civil rights laws, you shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.

Additional Federal Department-Specific Grant Conditions

While the conditions above applies to all Federal grants, each Federal department can impose additional conditions associated with specific grants.

U.S. Department of Justice Funds

The U.S. Department of Justice (DOJ) offers a Financial Guide that presents grant requirements as defined by this federal agency. All subrecipients of these funds must adhere to these requirements.

- DOJ Financial Guide: <http://www.ojp.usdoj.gov/financialguide/index.htm>.

Pay particular attention to the sections on (1) matching or cost-sharing, (2) allowable costs, (3) unallowable costs, (4) procurement under awards of federal assistance, (5) costs requiring prior approval, (6) equipment, and (7) retention and access requirements for records.

- If you receive DOJ grant funds, you may be required to comply with the regulatory requirement to develop, maintain on file, and submit for review to the Office for Civil Rights, Office of Justice Programs and to OGR an Equal Employment Opportunity Plan (EEOP). State (MA) Grant Fund Conditions

For cities, towns, other public entities, non-profit organizations receiving state grant funds, the primary state conditions are included in the Contractor Certifications and Legal References document attached as Addendum 3 (which is excerpted from the Instructions for the Standard Contract Form).

Please pay attention to the specific certifications, legal references, and links in Addendum 3.

The Authorized Signatory's signature on the Standard Contract indicates that all materials have been read and the Signatory is agreeing to comply with all certifications and obligations.

Office of Grants and Research Conditions

In addition to the federal and state general grant conditions outlined above, EOPSS and OGR have certain grant conditions that are essential to the administration of grant awards. Whether subrecipients are receiving funds from a federal or state grant, they must adhere to these conditions. Federal and State Conditions must be adhered to by subrecipients of federal grant funds.

- **Drug-Free Workplace Certification**

The Drug-Free Workplace Act of 1988 (41 USC 702) requires all recipients of federal grants to provide an annual certification that the grant recipient will take certain steps to ensure a drug-free workplace.

- **Time Extensions of Contracts**

- While uncommon, time extensions may be granted at the option of OGR. They are not encouraged or guaranteed.
- If a subrecipient needs additional time to complete the scope of work for the grant award, OGR may approve a **time-only** extension as long as the contract with the revised end date is executed by both the subrecipient and OGR before the end date of the current contract.
- **No time extension** will be permitted if the amended contract form is executed after the current contract end date.
- Requests for time extensions must be made **at least 30 days** before the end date of the current contract.

- **Remaining Balances**

Any amount of an award remaining at the expiration of a contract or Interdepartmental Service Agreement will be reverted to OGR.

- **Interdepartmental Service Agreement Spending**

Interdepartmental Service Agreement (ISA) spending must adhere to the dates specified in the ISA and follow the policy in the ISA as dictated by the Office of the Comptroller (CTR).

- **(New) ISA Terms and Conditions (See attached)**

- **Link** ([1779234 \(powerdms.com\)](https://powerdms.com/1779234)).

- **(New) ISA- Anticipated Start Date.** The Buyer/Parent and Seller/Child Departments must certify when obligation under this ISA or Amendment may be incurred.

Pursuant to 815 CMR 6.03(2), the effective date of an ISA shall be the latest of the following:

- The date the ISA was executed by an authorized signatory of the Buyer Department.
 - The date the ISA was executed by an authorized signatory of the Seller Department; or
 - A later date as specified in the ISA
- All goods must be received, and all services must be rendered by the end date of the ISA or contract. Receipt of goods and services occurring after the specified ISA end date may result in denial of those costs. The Seller (*child department*) will be responsible for covering those costs with an account other than that funding the ISA.

- **Accounts Payable Period**

Each Interdepartmental Service Agreement has a defined accounts payable period. **ALL** payments must be completed and disbursed by the end date of the specified accounts payable period within the ISA.

NOTE: Subrecipients Child department may not ask the Office of the Comptroller to extend an end date of the program code associated with the ISA without prior agreement by OGR. Should this occur, OGR will deny costs against the ISA. If the costs have already been accepted in MMARS, OGR will ask the “child” department to execute an expenditure correction transaction in MMARS to move those costs to another account belonging to the department.

- **Spending**

An ISA that crosses a state fiscal year ending (June 30) into the next fiscal year, must observe the Commonwealth’s policies on payment corrections or overpayments. That is, any unallowable charges must be corrected with an Expenditure Correction (EX) transaction before August 31.

All unallowable expenditures including payroll cost must be corrected by the date specified in the Fiscal Year Close/Open guidance issued each year by the Office of the State Comptroller. Any overpayments must be corrected with an Expenditure Refund transaction before August 31.

- **Reporting**

OGR requires all financial reports to be submitted along with a Warehouse Query and Labor Cost Management Query (for ISAs only) detailing the expenditures made for that period by the child department. Documentation to support the match is also required if a non-federal match is required.

All spending outside of the approved cost categories requires a budget modification.

At OGR’s discretion, reimbursement will be held until reporting requirements are met.

- **Requests for reimbursement and Financial Reports**

All request for reimbursements and financial reports **MUST** be received by OGR fifteen (15) days after the end of the reporting period.

Those received after the required time frame may result in non-payment at the option of OGR. Should this occur, OGR will notify the subrecipient of the non-payment for this reason.

Reimbursement under a subsequent contract may also be withheld pending resolution of any outstanding documentation or other requirements not fulfilled to the satisfaction of OGR. Furthermore, OGR may withhold execution of any subsequent contract. If the request for reimbursement is returned because of incomplete documentation, the request and documentation must be resubmitted within the timeframe dictated by OGR.

- **Programmatic and Financial Reports** must be received in accordance with the requirements of the specific award. At the option of OGR, reimbursement will be held until all reporting requirements are met.
- **Allowable grant-related travel costs** will be paid at the lesser rate of \$.62 per mile or the subrecipient's normal reimbursement rate. This rate is subject to change. Tolls and parking for grant-related local travel may also be paid. Receipts are required.
- **Indirect cost rates will not** be reimbursed based on a percentage rate without documentation of the rate having been approved by a federal agency. When a percentage rate has not been approved by a federal agency, a subrecipient may request of OGR allowable direct costs that will be incurred and can be specifically allocated to the project being funded.

Note: [2 CFR 200.414\(F\)](#), "any non-Federal entity that does not have a current negotiated (including provisional) rate, except for those non-Federal entities described in appendix VII, paragraph D.1.b, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely."

Costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time.

- **Procurement practices** of subrecipient agencies must be followed. The subrecipient should ensure that its procurement practices conform to any specific federal guidelines found in the references in the federal conditions section above. Where there is a difference between the practices of the subrecipient agency/organization and a federal guideline, the more restrictive procedure applies.
- **Timesheets** must be maintained by subrecipients for work performed by its employee(s) paid for with grant funds. Timesheets must show the hours worked and paid for with grant funds and must be signed by the employee(s).

COMINGLING OF GRANT FUNDS IS STRICTLY PROHIBITED

- **Submission of "Federal OMB Circular 2 CFR 200 Audit Form (formerly OMB Circular A-133)"** is required for subrecipients that expend more than \$750,000 in federal funds from all sources during their fiscal year.
- Subrecipients will submit the form to OGR at the end of the fiscal year after the completion of a single or program-specific audit of their federal funds. Subrecipients must indicate if they were required to have an audit and if so, to identify any findings related to the federal funds awarded by OGR.
- **Site visits and other monitoring** of subrecipients will be conducted by OGR periodically. All records, papers, and other documents of any kind related to the funded activity **must be made available** promptly upon request for inspection and copying to any person authorized by OGR.

- **Grant-related documents** for federal awards must be retained for a period of six years from the close of the contract. Grant related documents funded with state funding must be retained for six years after the close of the contract.
- **Evaluations** of a subrecipient's funded program by an outside evaluator during or at the conclusion of the project period, should be reported to OGR in writing and a copy of the evaluation should be provided.
- **Reporting alleged fraud, waste, or abuse** to the Office of the State Auditor or Inspector General and/or to an applicable federal agency is the responsibility of the subrecipient. This includes any alleged violations, serious irregularities, sensitive issues or overt or covert acts involving the use of public funds in a manner not consistent with federal statutes, related laws, regulations, appropriate guidelines, or purposes of the grant.
- **Award sub-recipients must accept their award** no later than 30 days from the award date. Failure to accept a grant award within the 30-day timeframe may result in a loss of funds.
- **Use of funds should begin** within 90 days of the start of the contract, and if they are not, the subrecipient must report to OGR the steps taken to initiate the grant activities, the reasons for the delay, and the expected start of the use of the funds
- If meaningful implementation steps have not begun after 90 days of the grant start date, OGR reserves the right to cancel the contract.
- **Subcontractors** implementing activities with grant funds must adhere to the grant provisions in this document and should be approved by OGR prior to subrecipients executing subcontracts.

Instructional materials created or produced with grant funds will be “work made for hire,” as defined in United States copyright law, and EOPSS/OGR shall be considered the author.

EOPSS/OGR shall be the sole owner of all rights pertaining to these materials, including copyrights and all rights to use, reproduce, or publish the materials, and subrecipients may not use, reproduce, or distribute such materials without prior written the approval of OGR. If a project results in the production of **other original books, manuals, or copyrightable material**, unless otherwise provided in the contract documents, EOPSS/OGR reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish, translate or otherwise use, and authorize others to publish and use, such material. If paid with federal funds, the grant number must appear on the materials. Any materials produced as a result of a grant award from this agency should name the grant program, award number, and state “Funding provided by EOPSS Office of Grants and Research”. Please contact your OGR point of contact if you need assistance with this disclosure.

- **Audiovisual or written materials** developed as part of the grant may be required to incorporate specific language or disclaimers (e.g., regarding the federal source of

funding) and in some instances pre-approval from the federal funding agency as instructed by the OGR grant manager.

**OVERTIME POLICY
FOR SUBRECIPIENTS RECEIVING FEDERAL FUNDS**

This policy applies to all subrecipients and contractors that receive a Federal grant award from the Executive Office of Public Safety and Security's Office of Grants and Research (OGR) and are requesting to use grant funds for overtime costs.

Overtime hours being charged against a federal grant award provided by OGR may only seek reimbursement for **actual hours worked** regardless of department policy or union contract rules. For example, an officer working one hour of overtime on a federally funded project awarded by OGR is **prohibited** from **charging the grant award for 4 hours of overtime** due to a union contract. A department that must allow for this, will need to cover the remaining 3 hours of overtime from their own state or local budget. **Departments found violating this policy will be subject to immediate termination of a grant award and must return all misspent funds back to OGR.**

Definitions

For this policy, the definitions for the key terms referenced within are listed below:

- *Overtime*- Expenses limited to the additional costs that result from state and local first responders such as sworn law enforcement personnel working over and above their weekly full-time/part-time schedule as a direct result of their performance of approved activities related to the project receiving federal funding.
- *Backfill related Overtime*- Expenses limited to overtime costs that result from personnel who are working overtime (as identified above) to perform the duties of other personnel who are temporarily assigned to an approved grant activity outside of their core responsibilities.
- *Subrecipient*- An entity receiving a grant award from OGR.
- *First Responder*- State or local law enforcement, fire services, emergency medical services, emergency management, health care, hazardous materials, public safety communications, public health, public works, and government administrative type employees. ***Note, each federal award has different criteria as to the type of individual allowed to be reimbursed for overtime costs. Please reference your specific grant application or OGR point of contact to determine qualifying personnel for overtime.***

State and local first responders that are eligible through their department for backfill and/or overtime (and preapproved by OGR) may be reimbursed for backfill and/or overtime **related to grant-funded activities ONLY**.

By signing below, I am acknowledging that I have read and understand the federal rules associated with the use of grant funding for Overtime Costs.

- **Toxicology Kits.** All toxicology kits associated with either reported or unreported sexual assault evidence collection kits (SAECK) must be submitted to the State Police Crime Lab.
- **Reporting of a firearm, rifle or shotgun, large capacity weapon, machine gun or assault weapon used to carry out a criminal act.** Law enforcement must comply with M.G.L. chapter 140 Section 131Q and ensure a firearm, rifle or shotgun, large capacity weapon, machine gun or assault weapon used to carry out a criminal act is traced by the licensing authority for the city or town in which the crime took place. The licensing authority then must report readily available statistical data to the commonwealth fusion center. The data shall include, but not be limited to: (i) the make, model, serial number and caliber of the weapon used; (ii) the type of crime committed; (iii) whether an arrest or conviction was made; (iv) whether fingerprint evidence was found on the firearm; (v) whether ballistic evidence was retrieved from the crime scene; (vi) whether the criminal use of the firearm was related to known gang activity; (vii) whether the weapon was obtained illegally; (viii) whether the weapon was lost or stolen; and (ix) whether the person using the weapon was otherwise a prohibited person.

Invoices. The Contractor must submit invoices in accordance with the terms of the Contract and the Commonwealth Bill Paying Policy. Final invoices in any fiscal year must be submitted no later than August 15 for performance made and received (goods delivered, services completed) prior to June 30, in order to make payment for that performance prior to the close of the fiscal year to prevent reversion of appropriated funds. Failure to submit timely invoices by August 15 or other date listed in the Contract shall authorize the Department to issue an estimated payment based upon the Department's determination of performance delivered and accepted. The Contractor's acceptance of an estimated payment releases the Commonwealth from further claims for these invoices.

If budgetary funds revert due to the Contractor's failure to submit timely final invoices, or for disputing an estimated payment, the Department may deduct a penalty of up to 10% from any final payment in the next fiscal year for failure to submit timely invoices.

Payments Subject To Appropriation. Pursuant to [M.G.L. c. 29 §§ 26, 27](#) and [29](#), Departments are required to expend funds only for the purposes set forth by the Legislature and within the funding limits established through appropriation, allotment and subsidiary, including mandated allotment reductions triggered by [M.G.L. c. 29, § 9C](#). A Department cannot authorize or accept performance in excess of an existing appropriation and allotment, or sufficient non-appropriated available funds. Any oral or written representations, commitments, or assurances made by the Department or any other Commonwealth representative are not binding. The Commonwealth has no legal obligation to compensate a Contractor for performance that is not requested and is intentionally delivered by a Contractor outside the scope of a Contract. Contractors should verify funding prior to beginning performance.

Intercept. Contractors may be registered as Customers in the Vendor file if the Contractor owes a Commonwealth debt. Unresolved and undisputed debts, and overpayments of Contract payments that are not reimbursed timely shall be subject to intercept pursuant to [M.G.L. c. 7A, § 3](#) and [815 CMR 9.00](#). Contract overpayments will be subject to immediate intercept or payment offset. The Contractor may not penalize any state Department or assess late fees, cancel a Contract or other services if amounts are intercepted or offset due to recoupment of an overpayment, outstanding taxes, child support, other overdue debts or Contract overpayments.

Contractor certifies that it will immediately notify the Department, in writing, of any filing for bankruptcy and/or receivership, any potential structural change in its organization, or if there is **any risk** to the solvency of the Contractor that may impact the Contractor's ability to timely fulfill the terms of this Contract or Amendment. The Commonwealth reserves the right to request additional information regarding the financial viability of the Contractor and its ability to perform. The Contractor certifies that at any time during the period of the Contract the Contractor is required to affirmatively disclose in writing to the Department Contract Manager the details of any judgment, criminal conviction, investigation or litigation pending against the Contractor or any of its officers, directors, employees, agents, or subcontractors, including any potential conflicts of interest of which the Contractor has knowledge, or learns of during the Contract term. Protection of Commonwealth Data, Personal Data, and Information. The Contractor certifies that all steps will be taken to ensure the security and confidentiality of all Commonwealth data for which the Contractor becomes a holder, either as part of performance or inadvertently during performance, with special attention to restricting access, use and disbursement of personal data and information under [M.G.L. c. 93H](#) and [c. 66A](#) and other applicable state and federal privacy requirements. For all Contracts involving the Contractor's access to personal information, as defined in [M.G.L. c. 93H](#), and personal data, as defined in [M.G.L. c. 66A](#), or access to Department systems containing such information or data, Contractor certifies under the pains and penalties of perjury that the Contractor: (1) has read [M.G.L. c. 93H](#) and [c. 66A](#) and agrees to protect any and all personal information and personal data; and (2) has reviewed all of the Enterprise Information Security Policies and Standards published by the Executive Office for Technology, Services and Security (EOTSS), or stricter standards prescribed by the Department. Limitation of Liability. Contracts may not use the following limitation of liability language unless approved by legal staff at the Office of the Comptroller (CTR) or Operational Services Division (OSD), and it may not be used if a Department is utilizing the Commonwealth IT Terms and Conditions. The term “other damages” in Section 11 of the Commonwealth Terms and Conditions, “Indemnification,” shall include, but shall not be limited to, the reasonable costs the Commonwealth incurs to repair, return, replace or seek cover (purchase comparable substitute commodities and services) under a Contract. “Other damages” shall not include damages to the Commonwealth as a result of third-party claims, provided, that this in no way limits the Commonwealth’s right of recovery for personal injury or property damages or patent and copyright infringement under Section 11 or the Commonwealth’s ability to join the contractor as a third-party defendant. Further, the term “other damages” shall not include, and in no event shall the contractor be liable for, damages for the Commonwealth’s use of contractor provided products or services, loss of Commonwealth records, or data (or other intangible property), loss of use of equipment, lost revenue, lost savings or lost profits of the Commonwealth. Nothing in this section shall limit the Commonwealth’s ability to negotiate higher limitations of liability in a particular Contract, provided that any such limitation must specifically reference Section 11 of the Commonwealth Terms and Conditions. In the event the limitation of liability conflicts with accounting standards which mandate that there can be no cap of damages, the limitation shall be considered waived for that audit engagement. Addendum 4: Federal Guidelines on Equipment

Below are the guidelines on equipment found in the Federal Uniform Administrative Requirements for Grants document.

§200.313 Equipment.

(a) *Title.* Subject to the requirements and conditions set forth in this section, title to equipment acquired under a Federal award will vest upon acquisition in the non-Federal entity. Unless a statute specifically authorizes the Federal agency to vest title in the non-Federal entity without further responsibility to the Federal Government, and the Federal agency elects to do so, the title must be a conditional title. Title must vest in the non-Federal entity subject to the following conditions:

(1) Use the equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.

(2) Not encumber the property without approval of the Federal awarding agency or pass-through entity.

(3) Use and dispose of the property in accordance with paragraphs (b), (c), and (e) of this section.

(b) *General.* A state must use, manage, and dispose of equipment acquired under a Federal award by the state in accordance with state laws and procedures. Other non-Federal entities must follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment must be used by the non-Federal entity in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by the Federal award, and the non-Federal entity must not encumber the property without prior approval of the Federal awarding agency. The Federal awarding agency may require the submission of the applicable common form for equipment. When no longer needed for the original program or project, the equipment may be used in other activities supported by the Federal awarding agency, in the following order of priority:

(i) Activities under a Federal award from the Federal awarding agency which funded the original program or project, then

(ii) Activities under Federal awards from other Federal awarding agencies. This includes consolidated equipment for information technology systems.

(2) During the time that equipment is used on the project or program for which it was acquired, the non-Federal entity must also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, provided that such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use must be given to other programs or projects supported by Federal awarding agency that financed the equipment and second preference must be given to programs or projects under Federal awards from other Federal awarding agencies. Use for non-federally funded programs or projects is also permissible. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §200.307 to earn program income, the non-Federal entity must not use equipment acquired with the Federal award to provide services for a fee that is less than private companies charge for equivalent services unless specifically authorized by Federal statute for as long as the Federal Government retains an interest in the equipment. ***(NOTE: Please be advised that permission must be granted by OGR, the State Administrative Agency, prior to implementing a fee-for-service program).***

(4) When acquiring replacement equipment, the non-Federal entity may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a Federal award, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of funding for the property (including the FAIN), who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the project costs for the Federal award under which the property was acquired, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken, and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft must be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the non-Federal entity is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a Federal award is no longer needed for the original project or program or for other activities currently or previously supported by a Federal awarding agency, except as otherwise provided in Federal statutes, regulations, or Federal awarding agency disposition instructions, the non-Federal entity must request disposition instructions from the Federal awarding agency if required by the terms and conditions of the Federal award. Disposition of the equipment will be made as follows, in accordance with Federal awarding agency disposition instructions:

(1) Items of equipment with a current per unit fair market value of \$5,000 or less may be retained, sold, or otherwise disposed of with no further responsibility to the Federal awarding agency.

(2) Except as provided in §200.312(b), or if the Federal awarding agency fails to provide requested disposition instructions within 120 days, items of equipment with a current per-unit fair market value in excess of \$5,000 may be retained by the non-Federal entity or sold. The Federal awarding agency is entitled to an amount calculated by multiplying the current market value or proceeds from sale by the Federal awarding agency's percentage of participation in the cost of the original purchase. If the equipment is sold, the Federal awarding agency may permit the non-Federal entity to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for its selling and handling expenses.

(3) The non-Federal entity may transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the non-Federal entity must be entitled to compensation for its attributable percentage of the current fair market value of the property.

(4) In cases where a non-Federal entity fails to take appropriate disposition actions, the Federal awarding agency may direct the non-Federal entity to take disposition actions.

☒ Special conditions inserted below.

☐ N/A.

Award Conditions

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

1

Requirements of the award; remedies for non-compliance or for materially false statements
The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -

- may result in the Office on Violence Against Women (OVW) taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award.

The U.S. Department of Justice (DOJ), including OVW, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or - unenforceable, such provision shall be deemed severable from this award.

2

Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part

2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

3

Requirement to report potentially duplicative funding. If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal

funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify OVW in writing of the potential duplication, and, if so requested by OVW, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

4

Requirements related to System for Award Management and unique entity identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM. The recipient also must comply with applicable restrictions on subawards (subgrants) to first-tier subrecipients (subgrantees), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier assigned by SAM.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (titled "Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers") and are incorporated by reference here.

5

Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2C.F.R. 200.1) within the scope of an OVW grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

The recipient, or any subrecipient (subgrantee) may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program. Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations. Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards (subgrants), procurement contracts, or both--

a. it represents that--

will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to

the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly

authorized to do so by that agency.

For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

Recipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. The recipient agrees that it will comply with this provision. The recipient also agrees to ensure that any subrecipients (subgrantees) at any tier will comply with this provision.

26

The recipient also agrees to ensure that all subrecipients (subgrantees) at any tier meet these requirements.

The Director of OVW, upon a finding that there (1) has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, (2) has been failure by the recipient to make satisfactory progress toward the goals, objectives, or strategies set forth in the application, or (3) have been project changes proposed or implemented by the recipient to the extent that, if originally submitted, the application would not have been selected for funding, will terminate or suspend until the Director is satisfied that there is no longer such failure or changes, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 C.F.R. 200.340.

The final report shall be submitted not later than 120 days following the end of the award period. Delinquent reports may affect future discretionary award decisions and may lead to suspension and/or termination of the award.

35

Subrecipient program income

The recipient understands and agrees that it has responsibility for approval of program income earned by subrecipients. Program income, as defined by 2 C.F.R. 200.1, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of

performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to a subaward, subrecipients must seek approval from the recipient prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the recipient must be reported by the subrecipient to the recipient so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the recipient must provide approval by the end of the project period. Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

38

Publication disclaimer The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so. OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient (subgrantee) of this award, for federal purposes, and to authorize others to do so. In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance

written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award. It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

41

Grantee orientation - mandatory attendance

The recipient agrees that the State Administrator for this award will attend an OVW grantee orientation for new state administrators, if the State Administrator has held that position for four years or fewer, as of the project period start date on this award. 43

Use of administrative funds to attend training The recipient agrees that, before using administrative funds to attend training and technical assistance events, including travel costs and/or registration costs, the recipient will seek approval from its program manager and submit an agenda and other relevant supporting documentation to ensure that the training is a cost directly associated with administering the STOP Program under 28 C.F.R. 90.17(b). The annual STOP Administrators meeting is excluded from this condition.

44

Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

45

Required SAM reporting The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OVW awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system. The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings within SAM are posted on the OVW website at <https://www.justice.gov/ovw/> award-conditions (titled "Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting in SAM") and are incorporated by reference here.

The recipient agrees that no amount of the 10 percent administrative funds of this grant will be used for dues or membership fees to an organization conducting any type of lobbying, including advocating with government agencies for policy change.

47

Ongoing compliance with statutory certifications The recipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the recipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449(a)-(d) (rape exam payments), 34 U.S.C. § 10449(e) (judicial firearms notification), 34 U.S.C. § 10450 (costs for criminal charges and protection orders), 34 U.S.C. § 10451 (polygraph testing prohibition), 34 U.S.C. § 10454(1) (training for prosecutors), 34 U.S.C. § 10454(2) (victim-centered policies, and 34 U.S.C. § 10454(3) (compelling victim testimony), and 34 U.S.C. 10446(d)(6) (compliance with statutory award conditions). Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48

Required funding allocations, including funding for culturally specific organizations

The recipient agrees that, of the amount awarded, not less than 25 percent shall be allocated for law enforcement, not less than 25 percent shall be allocated for prosecutors, not less than 30 percent shall be allocated for victim services, and not less than 5 percent shall be allocated to courts. The recipient also agrees that of the 30 percent of funds allocated for victim services, 10 percent will be distributed to culturally specific community-based organizations. The recipient understands that "culturally specific" means "primarily directed toward racial and ethnic minority groups," as defined by 34 U.S.C. § (a)(8). "Racial and ethnic minority group" is further defined by 42 U.S.C. § 300u-6(g) as "American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics." Further, the recipient agrees to recognize and meaningfully respond to the needs of underserved populations and ensure that monies set aside to fund linguistically and culturally specific services and activities for underserved populations are distributed equitably among those populations.

49

Sexual assault set-aside

The recipient agrees that not less than 20 percent of the amount granted shall be allocated for programs and projects in two or more allocations (victim services, law enforcement, prosecution, courts) that meaningfully address sexual assault, including stranger rape, acquaintance rape, alcohol or drug-facilitated rape, and rape within the context of an intimate partner relationship.

50

Match requirement

The recipient agrees that the federal share of a grant made under the STOP Formula Program may not exceed 75 percent of the total costs of the total projects described in the application, including administrative costs. The recipient also agrees to the following: 1) The costs of projects awarded to victim service providers (non-profit organizations or governmental rape crisis centers not in territories) for the purpose of providing victim services, and the cost of projects for tribes, do not count

toward the total cost of the projects in calculating the match.

2) Victim service providers receiving STOP subawards will not be required by the recipient to provide matching dollars.

3) The recipient will verify that victim service providers that are nonprofit organizations are organizations that are described in section 501(c)(3) of the Internal Revenue Code of 1986 and are exempt from taxation under section 501 (a) of that Code.

4) The recipient will provide no less than 25 percent matching funds for subawards awarded to victim service providers

under any allocation other than victim services unless granted a waiver or partial waiver by OVW.

51

Limitation on use of funds for awareness and public education

The recipient agrees that no more than 5 percent of its award may be used to conduct public awareness or community education campaigns or related activities to broadly address domestic violence, dating violence, sexual assault, or stalking. Grant funds may be used without limit to support, inform, and provide outreach about available services.

52
