OFFICE OF THE OMBUDSMAN ANNOUNCES NEW WEBSITE

The Office of the Ombudsman (Office) is pleased to announce the launch of our newly redesigned website, featuring an updated look and feel, together with a new logo that features a lighthouse. These updates symbolize our expanded role in guiding the Massachusetts Department of Correction (DOC) on health and wellness initiatives.

The updates to our website reflect our commitment to illuminate paths toward improved health and wellness for DOC staff and incarcerated individuals alike, as well as an ongoing commitment to monitor and guide infection control needs.

Please visit our new website at <https://ombudsman-madoc.org> to explore our initiatives and information, and how to contact the Office.
