Announcement for Organizations Interested in Participating as One Care Plans in 2020

October 9, 2018

MassHealth, the Massachusetts Medicaid program, is sharing timing updates for its expected upcoming process to procure organizations to participate as One Care plans effective January 1, 2020.

MassHealth has appreciated the robust engagement of members, advocates, providers, current and potential plans, and other interested parties in stakeholder activities over the last several months. We are in the process of reviewing and incorporating feedback from the Request for Information (RFI) on topics related to One Care, Senior Care Options (SCO) and Duals Demonstration 2.0 that closed on September 24th. We expect to release the procurement for One Care Plans in the next 1-2 months.

Please direct any questions about this announcement to:

Executive Office of Health and Human Services
Attn: Melissa Morrison
One Ashburton Place, 11th floor
Boston, MA 02108
Email: Melissa.Morrison@state.ma.us

MassHealth will post updates about the One Care procurement process on both COMMBUYS (www.commbuys.com) and at www.mass.gov/service-details/information-for-organizations-interested-in-serving-as-one-care-plans, which is linked from the Duals Demonstration 2.0 (www.mass.gov/duals-demonstration-20) and One Care (www.mass.gov/one-care) websites under "Information for Organizations Interested in Serving as One Care Plans."
