

## **One Care Implementation Council Membership – Updated February 2019**

The One Care Implementation Council plays an important role in monitoring access to health care and compliance with the Americans with Disabilities Act (ADA), tracking quality of services, providing support and input to MassHealth, and promoting accountability and transparency in One Care. The individuals listed below serve on the Implementation Council as of February 2019. MassHealth is pleased to welcome new members to the Implementation Council, and thanks continuing Council members for their ongoing participation.

In February 2019, MassHealth selected six new members to join the One Care Implementation Council.
