MassDOT is hosting an Open House on the Interstate 90 (I-90) Interchange Study. The I-90 Interchange Study is a conceptual planning study examining the feasibility of adding an interchange on I-90 between the existing interchanges located at Exit 2 in the Town of Lee and Exit 3 in the City of Westfield.

The Open House will run from 6:30 PM to 9:00 PM, with a presentation from the study team at 7:00 PM. The public is invited to attend to learn about the study's analysis of interchange alternatives and draft study recommendations. For more information, visit the study website:
