

# Duals Demonstration, One Care, and SCO Open Meeting Announcement July 13, 2018

MassHealth is pleased to announce three public listening sessions to hear from stakeholders about topics related to Duals Demonstration 2.0. In June, MassHealth shared its draft Concept Paper for its proposed Duals Demonstration 2.0. The draft paper is available at [www.mass.gov/duals-demonstration-20](http://www.mass.gov/duals-demonstration-20). The proposed Demonstration would provide federal authorities and flexibilities for One Care and Senior Care Options (SCO), MassHealth's integrated care programs for dual eligible members. We encourage you to share this announcement with your network and colleagues.
