In accordance with the Rules of Procedure Governing Disciplinary Proceedings of the Board of Registration in Medicine's Committee on Acupuncture, 243 CMR 4.03(11)(b), the Board of Registration in Medicine's Committee on Acupuncture (the "Committee") **ORDERS** that:

The license to practice acupuncture in the Commonwealth of Massachusetts of Qingping Joy Bai ("Ms. Bai" or the "Respondent"), Registration No. 258462, is **SUSPENDED** effective immediately. Ms. Bai must cease the practice of acupuncture immediately, and she is directed to surrender her wallet card and wall certificate to the Committee forthwith.

The Committee has determined that the health, safety, and welfare of the public necessitate said suspension. In reaching this determination, the Committee has reviewed and considered the information set forth in the documentary evidence submitted by Complaint Counsel and correspondence between Respondent and counsel to the Committee's complaint subcommittee.

The Respondent shall provide a copy of this Order of Suspension within twenty-four (24) hours to the following designated entities: any in- or out-of-state hospital, nursing home, clinic, other licensed facility, or municipal, state, or federal facility at which she practices acupuncture; any in- or out-of-state health maintenance organization with whom she has privileges or any other kind of association; any state agency, in- or out-of-state, with which she has a provider contract; any in- or out-of-state medical employer, whether or not she practices acupuncture there; and the state licensing boards of all states in which she has any kind of license to practice acupuncture. **The Respondent is further directed to notify patients that her license has been suspended.** The Respondent is further directed to certify to the Committee within forty-eight (48) hours that she has complied with this directive.
