DETERMINATION OF THE COMMISSIONER OF PUBLIC HEALTH PURSUANT TO  
BOARD OF REGISTRATION IN NURSING LICENSURE POLICY 10-03

---

In accordance with Board of Registration in Nursing (Board) Licensure Policy 10-03, I have determined there are or will be insufficient nurses in Massachusetts to properly respond to disease outbreak or other critical public health concern.

Therefore, I direct the Board to activate Licensure Policy 10-03, to expedite the processing of reciprocal license applications for nurses, effective December 1, 2022.

A handwritten signature in cursive script that reads "Margret R. Cooke".
