¹ Information reported by HMOs as of the end of the first quarter of 2017 based upon the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 6.1" that instructs HMOs to exclude members for whom the HMO did not bear any financial risk.

² Starting with the first quarter of 2017, carriers are no longer submitting data for this report directly to the Division. Instead, the first quarter 2017 data shown in this report was produced by the Center for Health Information and Analysis using data submissions by the HMOs to the All-Payer Claims Database. As a result, comparing membership from the fourth quarter of 2016 to the first quarter of 2017 may not be appropriate, as the data is taken from separate sources.

² Includes all members enrolled in the HMO whose group coverage and COBRA coverage have expired and who have converted to an individual (conversion) policy as defined in the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 6.1." This includes persons who enrolled in group conversion plans offered prior to October 1, 1997.

³ Carriers that do not have any members in closed group conversion plans are not reflected in this report.
