## Proceedings

Assistant Secretary Shark called the meeting of the Veteran Advocate Nominating Committee to order at 4:00pm. He noted that all votes taken during the meeting would be conducted via roll call vote.

Assistant Secretary Shark summarized that at the last meeting, the preliminary screening subcommittee chose to interview 2 additional candidates from the pool of 7 that applied after the 4/21 priority deadline. Today, the subcommittee will be conducting those interviews and discussing who should be brought to the full committee in addition to the 4 finalists the Committee discussed last week.

Assistant Secretary Shark declared that for the remainder of the meeting, the preliminary screening committee will enter executive session per Executive Session Purpose #8 to conduct an initial screening of Veteran Advocate applicants as doing so in an open session will have a detrimental effect on obtaining qualified applicants. He noted that the meeting will adjourn from executive session and the Committee will not reconvene afterwards.

**Vote 1 to approve preliminary screening committee to enter Executive Session:** Assistant Secretary Shark called for a vote for the preliminary screening committee to enter executive session. Mr. Lyons introduced the motion, which was seconded by Mr. Dockter and approved by roll-call vote (see detailed record of votes above).

Assistant Secretary Shark noted that should members have any questions, they should feel free to reach out to Committee Staff. He asked that members hold Wednesday June 14 at 4-5PM for the next Committee meeting. Committee staff will follow up with an invite and more details. He stated that the meeting will now enter Executive Session with the preliminary screening subcommittee and that subcommittee members should enter a separate Zoom meeting, that will be closed to the public, which was sent to them via email by Committee staff.

The preliminary screening committee entered Executive Session at 4:05PM and adjourned at 6:00PM
