

# DO YOU ALREADY HAVE A MASS ANIMAL FUND VOUCHER?

Already have a voucher and need to schedule surgery? Visit our Spay/Neuter Provider page to find a participating veterinarian.

<https://www.mass.gov/info-details/find-a-veterinary-provider>

All services are by appointment only. make sure part 1-Owner/Pet Information on the voucher is filled out completely and presented at the time of surgery.

If you have any questions or need assistance with scheduling please contact our Community Liaison Kyle Baron at 617-626-1790

# MASSACHUSETTS ANIMAL FUND VOUCHER PROGRAM

## FOR MASSACHUSETTS RESIDENTS

Do you own a cat or dog that is not spayed or neutered? Is the cost of surgery a financial hardship for you or your family? The Mass Animal Fund can provide free spay/neuter vouchers to low-income residents for their cats and dogs. If you are eligible to receive government help such as: (TAFDC, SSI, VS, SNAP, WIC, etc.) you can qualify.

Massachusetts residents who qualify should contact their local animal control officer to apply. Contact information for municipal animal control officers is available at [www.mass.gov/service-details/spayneuter-voucher-program](http://www.mass.gov/service-details/spayneuter-voucher-program) REQUESTS MADE DIRECTLY FROM RESIDENTS TO MASS ANIMAL FUND CAN NOT BE ACCEPTED.

## FOR FERAL CAT CAREGIVERS

Do you manage a feral colony? The Mass Animal Fund may have funds to help with the spaying/neutering feral cats. Eligible cats are those that are homeless, un-owned, free-roaming, unsocialized, and appear healthy. To be eligible these cats must be released back into their home colony, and receive a 3/8" ear tip at the time of surgery.

Caregivers seeking help should contact their local animal control officer. NO REQUESTS MADE DIRECTLY FROM CAREGIVERS WILL BE ACCEPTED. Vouchers must be in-hand before trapping and transporting the cat(s) to surgery.
