Dear PAC Agent: Name: _____ Cust. ID # _____

Please fill out and return this form to the address below. The information you provide helps us monitor beaver populations. It is important that you return this form even if you did not trap beaver.

Did you trap any beaver in Massachusetts as a PAC agent during 2017? Do not include beaver that you had tagged.

No. Mark the box and return with your application.

Yes. Fill out the form below and return with your application and/or your report form(s). If you don't have records of beaver or are unsure, make your best guess.
