Mr. Clements:

The relocation fee is to move a "full" container from the drop off point to the desired location. We are charging the customer \$100.00....to drop off the empty container (initial drop off). Then if the customer is moving, say they are moving from Boston to Plymouth, we will charge them a relocation fee to move the full container to their destination. Finally once the container is empty we charge them a final pick up charge that picks up the empty container. As for the application fee, we charge a nominal fee for the paperwork associated with renting them a unit. The need to sign a lease and attached addendums.

The tariff filing fee and decal application fee is in the mail to you.

I hope this clears things up. Let me know if you have any outstanding questions.

Regards,

Michelle

Ms. Vagnini:

Rates look OK except that I don't know what "relocation fee" or "application fee" means. Don't forget to send tariff filing fee of \$100 payable to "Comm. of Mass." along with decal application fee. You cannot begin operating until these matters are taken care of. I will be in office on Monday, July 28 if you want to call me at 617-305-3771.
