No experience necessary!

- The Clinical Assistant Training Program is an eight-week, **paid** learning experience where participants will train to become a Clinical Assistant in a BILH primary care setting.
- Clinical Assistants provide support to patients and are an integral part of the care team. They prepare patients for their visit, assist the provider and care team during the visit and assure the medical history for the patient is updated and accurate
- Once employed- standard hours are 8:30 am–5:00 pm with some flexibility. Clinical assistants generally work a 40-hr wk., Mon-Fri with no nights or weekends
- High School degree or equivalent required; English fluency required

MassHire Programs & Services are funded in full by US Department of Labor (USDOL) Employment and Training Administration grants. Additional details furnished upon request.
