Paid Family and Medical Leave (PFML) Policy Checklist

For the first page of the policy, the filer is to check that the item is addressed on the first page.

First Page

The first page should include:

______ FP1 the name of Insurance Carrier (“Carrier”),
______ FP2 specific reference to whether the coverage is for Paid Family Leave Coverage, Paid Medical Leave Coverage or Paid Family and Medical Leave (“PFML”) Coverage,
______ FP3 the Policyholder’s name and
______ FP4 the term of the Policy Coverage.

The first page should also include
______ FP5 a statement that the Policy is intended to cover paid leave benefits that comply with the Massachusetts Department of Family and Medical Leave (“DFML”) standards. If any Policy provisions do not conform to the requirements of M.G.L. c. 175M and 458 CMR 2.00 (hereinafter respectively referred to as “the PFML statute and regulations”), then the Carrier is required to administer paid benefits consistent with the PFML statute and regulations.

The first page should include
______ FP6 a statement that the PFML statute and regulations differ from the provisions of the federal Family and Medical Leave Act (“FMLA”). The provisions of this Policy must conform with the requirements of the PFML statute and regulations.

The first page should also
______ FP7 acknowledge that if there are any changes, amendments, or regulatory clarifications to the provisions of the PFML statute and regulations then the Policy and all claims practices will be promptly updated. The Policy should be reviewed and updated at least annually to comply with any changes, amendments or regulatory clarifications.

Term of Policy and Renewal: The first page should
______ PT1 explain the exact period that is covered by the Policy and all renewal rights offered by the Carrier.

______ PT2 If the Carrier elects to terminate a Policy, it must provide at least 30 days’ notice to the Employer and to the DFML prior to terminating a Policy.

______ PT13 If a carrier elects to non-renew a Policy, it may only do so the calendar anniversary of the initial Policy Effective Date and must provide at least 60 days’ notice to the Employer and the DFML prior to non-renewing a Policy.
PT14 The notice of non-renewal should explain that if an Employer’s Policy is terminated during the term of an approved DFML exemption period or prior to January 1, 2021, and the Employer does not obtain private plan coverage from another source (either its own self-insured private plan or another Carrier’s fully insured private plan), the Employer may be required to remit contributions for its entire payroll retroactive to either October 1, 2019 or the start date of the Employer’s approved exemption. The Employer may be required to repay to the Family and Employment Security Trust Fund (“Trust Fund”) the cost of total amount of benefits paid to Policyholders who received benefits from the Trust Fund and that it may be subject to additional interest and penalties established by the DFML for not maintaining a private plan.

For the remainder of the checklist, next to each item, the filer should indicate the page and paragraph where the item is addressed within the filed policy. If an item is optional and the filer is not addressing the optional item in the policy, there should be an “N/A” next to the item in the checklist.

Premiums

PR1 This section should explain the manner in which the Carrier’s policy will calculate and collect premiums from the Employer, including any grace periods in the payment of premiums.

PR2 The Policy should state that if the Employer requires contributions toward premiums from Covered Individuals, this amount cannot exceed the maximum portion of contributions for Covered Individuals as described in the PFML statute and regulations. This maximum contribution amount is subject to an annual adjustment by the DFML Director as specified in M.G.L c. 175M, § 7(e).

Amendments to Policy

If included, this section should explain how and when there may be amendments to a Policy.

PA2 The Policyholder should be informed that if any amendments are not consistent with the PFML statute and regulations, the DFML may withdraw the approval of a private plan exemption. If an exemption is withdrawn, the Employer may be required to remit contributions for its entire payroll retroactive to either October 1, 2019 or the start date of the Employer’s approved exemption and the Employer may be required to repay to the Family and Employment Security Trust Fund (“Trust Fund”) the cost of total amount of benefits paid to Policyholders who received benefits from the Trust Fund and that it may be subject to additional interest and penalties established by the DFML for not maintaining a private plan.

All proposed material amendments during a policy term should be sent to the DFML by the Carrier 30 days prior to the proposed effective change.

Termination and Reinstatement of Policy
This section should explain when a Carrier can terminate a Policy due to non-payment or fraud and
that the Employer will receive a notice explaining the reasons why the Policy is being terminated. 
This section should identify the Carrier’s termination notification procedures and how the Carrier will provide notice of the final termination of the Policy.

If the Carrier allows for the reinstatement of a terminated Policy after the Employer was notified of termination, the Carrier should fully describe the applicable reinstatement provisions. If the Carrier allows for reinstatement of a terminated policy, it should not be for more than a 90-day period of reinstated coverage.

The policy will further state that the Carrier will notify the DFML if it agrees to reinstate the Policy and such reinstatement shall be without any gap in coverage.

Claims of Creditors
The Policy may include a section stating that except when prohibited by Massachusetts law, the insurance and other benefits under this Policy may be exempt from execution, garnishment, attachment, or other legal or equitable process, for the debts or liabilities of the Covered Individuals or their beneficiaries.

This section should indicate that the Employer has an obligation to continue to pay the Employee’s share of health insurance benefits during a period of leave at the level and under the same conditions of coverage that would have been provided if the Employee continued working continuously for the duration of the qualified leave period. This obligation does not apply to former employees or covered contract workers if they are included in the Policy.

Continuation of Other Employee Benefits
This section should indicate that the Employer has an obligation to ensure that an Employee who returns to work for the employer after a qualified leave period retains the right to accrue vacation time, sick leave, bonuses, advancement, seniority, length-of-service credit or other employee benefit plans or programs at the same level if the Employee had continued working continuously for the duration of the qualified leave period. This obligation does not apply to former employees or covered contract workers if they are included in the Policy.

**BENEFIT PROVISIONS**

________BP1 The Policy must state that all presumptions will be made in favor of the availability of leave and the payment of leave benefits.

The Policy should describe the following items:

________BP2 Payment Period: The maximum payment period under the Policy. The benefits under this policy may not be conditioned on the Covered Individual first utilizing any available accrued paid leave available from the Employer. If the Covered Individual chooses to utilize accrued leave available from the Employer this use will run concurrently with the leave period.

[Variable by Carrier, but the minimum durations of paid leave allowable for qualifying reasons are:

________BP5a Seven-Day Waiting Period: The Carrier may require that no family or medical leave benefits will be paid during the first seven (7) calendar days of an approved initial claim for benefits.

________BP5b The initial seven day waiting period for paid leave benefits may count against the total available period of leave in a Benefit Year, except

________BP5c when a Covered Individual takes medical leave during pregnancy or recovery from childbirth if supported by documentation by a health care provider that it is immediately followed by family leave, in which case the seven day waiting period for family leave shall not be required.

________BP5d Where the approved claim involves leave on an intermittent or reduced leave schedule, the waiting period shall be seven consecutive calendar days, beginning with the first day of intermittent leave, and not the aggregate accumulation of seven days of leave.

________BP5e The initial seven day waiting period for paid leave benefits shall not apply to an approved extension of a claim for paid family or medical leave.

________BP6 How Payments Start: This provision must meet or exceed the minimum qualifying eligibility conditions consistent with the Massachusetts PFML statute and regulations.
BP7a When Payments End: This provision must meet or exceed the minimum qualifying eligibility conditions consistent with the Massachusetts PFML statute and regulations.

BP7b It may state that this occurs when the Covered Individual is no longer eligible for family or medical leave, no longer has a Serious Health Condition, no longer has a family member with a Serious Health Condition, or the person has completed the maximum payment period under the Policy.

BP8 Fitness for Duty: If the Employer requires a Covered Individual to obtain a fitness of duty certificate in order to return to work at the end of a medical leave period, the Fitness for Duty section must comply with the provisions of 458 CMR 2.11. The Carrier must comply with the requirements of the PFML statute and regulations with regard to requiring certification of Fitness for Duty.

Intermittent Leave or Reduced Leave Schedule: The Policy must describe when a Covered Individual may take intermittent or reduced leave.

BP9a For Family Leave to bond with a Child during the first twelve months after the Child’s birth, Adoption, or Foster Care placement, leave may be taken on an intermittent or reduced leave schedule. The Carrier may require that the Employer and Covered Individual both agree to a period of intermittent leave as a condition of coverage. If the Carrier requires the Employer and Covered Individual to first agree to a period of intermittent leave, it should be stated in the Policy.

BP9b For Family Leave to care for a Family Member’s Serious Health Condition or to care for a Family Member who is a Covered Service Member, leave may be taken on an intermittent or reduced leave schedule. The Carrier may require that it receive from the Health Care Provider, a certification that the intermittent leave schedule is medically necessary as a condition of coverage. If the Carrier requires this Health Care Provider certification, this must be stated in the Policy.

BP9c For Family Leave due to a Qualifying Exigency arising out of a Family Member’s active duty or impending call to active duty in the Armed Forces, the Policy must provide that leave may be taken on an intermittent or reduced leave schedule if the Covered Individual elects to take intermittent leave for this purpose.

BP9d For Medical Leave due to the Covered Individual’s own Serious Health Condition, leave may be taken on an intermittent or reduced leave schedule. The Carrier may require that it receive from the Health Care Provider a certification that the intermittent leave is medically necessary as a condition of coverage. If the Carrier requires this Health Care Provider certification, this must be stated in the Policy.

Extension of Paid Leave Benefits

BP10a The Policy must indicate that the Covered Individual may submit a request for extension of paid family or medical leave.

BP10b The Carrier may require the Covered Individual to provide notice to the Carrier requesting an extension of leave. This notice period may not be greater than 14 calendar days prior to the date of expiration of the original approved leave.
If the Carrier requires a notice period, it must state that there is a provision allowing a late filed request for an extension for good cause shown.

The Carrier may require that a request for an extension of leave include the following information:

- The reason for the extension;
- The requested duration of the extended leave;
- The date on which the Covered Individual provided notice of the request for the extension and
- A newly completed or updated health care certification for medical or family leave that does not exceed the standards provided in 458 CMR 2.08(5).

The Carrier should notify the Employer of a request for an extension not more than five business days following its receipt of a completed request. The Carrier may provide to the Employer:

- The requested duration for the extension;
- Whether the newly requested leave is continuous or intermittent; and
- Any other information or record the Carrier deems relevant to verifying and otherwise processing the claim.

The Carrier may require that the Employer, within five business days from the date of the notice of the request for extension of leave, provide to the Carrier all relevant information or records requested by the Carrier. This information or records may include the following:

- Whether the Covered Individual will receive any paid leave benefits from the Employer during the requested extended leave period
- Whether the employer has approved or intends to approve the request for extension under the Family and Medical Leave Act or any other policy allowing for paid or unpaid leave; and
- Any other relevant information or records related to the request for extension, including but not limited to, evidence of a fraudulent claim.

Employer Reimbursement

If the Policy provides for Employer reimbursement of paid leave remitted to a Covered Individual, the Policy shall state the terms and conditions for reimbursement in this section.

Substitution of Employer Provided Paid Leave.
This section should state that the Employer may not require the Covered Individual to use any sick or other accrued paid leave or paid time off prior to initiating a claim under the Policy or during the Coverage Period.

If the Policy’s Weekly Benefit Amount is equivalent to the statutory minimum Weekly Benefit Amount as described in M.G.L. c. 175M, §3, the Policy should include the following two sections:

**Calculation of Weekly Benefit Amount and Use of Wages**

This section should clearly state how the Weekly Benefit Amount payable to the Covered Individual is calculated. Benefits to be paid must at least equal to the benefits that would be paid to Covered Individuals if participating in the state plan. Although all Covered Individuals must be eligible for benefits, if the weekly benefit amount differs by class of employee (e.g. part-time employees, temporary employees, covered contract workers), the different weekly benefit amounts are to be delineated clearly in this section to ensure that the minimum requirements of the PFML statute and regulations are met for all classes of Covered Individuals.

**Minimum Weekly Benefit Amount:**

The Carrier must describe that the minimum weekly benefit must be calculated using the Covered Individual’s total wages during the base period and this amount must include wages from other employment during the base period, if those wages would be included in the base period of a qualifying claim for PFML benefits with the DFML.

A definition of wages that must be included in determining the minimum Weekly Benefit Amount is available at M.G.L. c. 151A, §1(s).

The Carrier shall explain in the Policy that the Employer, and not the Covered Individual will be required to submit all wage information to the Carrier, and how it will obtain this information if not readily available from the Employer.

The portion of a Covered Individual’s average weekly wage that is equal to or less than 50% of the state average weekly wage shall be replaced at a rate of 80% and the portion of a Covered Individual’s average weekly wage that is more than 50% of the state average weekly wage shall be replaced at a rate of 50%.

If the Policy uses the state’s maximum benefit amount as described in M.G.L. c. 175M, §3(b)(2), this section must include that amount and indicate that the amount will be adjusted not later than October 1 of each year and this maximum weekly benefit amount shall take effect on January 1 of the year following such adjustment.

**Calculation of Weekly Benefit Amount and Use of Wages**

The Carrier must explain in detail how it calculates the Weekly Benefit Amount.

**Payments**
BP15a This section will set forth the timing and manner of benefit payments to Covered Individuals. The Carrier agrees that it will comply with the time periods and other requirements related to processing and payment of claims that are set forth in the PFML statute and regulations.

BP15b This section will state that claim payments to a Covered Individual are to be paid not more than 14 days after approving an application, unless that determination occurs more than 14 calendar days before the onset of eligibility, in which case the carrier shall commence payment of leave benefits as soon as eligibility begins.

BP15c If the Carrier offers lump sum payments in lieu of a Weekly Benefit Amount and/or pays benefits at the beginning of a claim or in higher amount installments at the commencement of a claim, the Carrier must describe this payment schedule in detail.

BP15d The Carrier must describe in this section that lump sum payments or accelerated payments are only to be offered at the beginning of the qualified leave period and only if the Covered Individual agrees to lump sum or accelerated payments.

Offset to Policy Benefits Due to Other Income:

BP16a This section will explain the permissible offsets to the Weekly Benefit Amount under the PFML statute and regulations. Under the PFML statutes and regulations, the Weekly Benefit Amount may be reduced by the amount of wages or wage replacement that a Covered Individual on family or medical leave receives for that period from:

(a) any government program or law, including unemployment benefits under M.G.L. c. 151A, or workers’ compensation under M.G.L. c. 152, other than for permanent partial disability incurred prior to the family or medical leave claim; or

(b) under military disability benefits, other state or federal temporary or permanent disability benefits law; or

(c) a disability policy or program of the Employer associated with a permanent disability that provides benefits for a period that is greater than 12 months

BP16b Unless the aggregate amount a Covered Individual receives would exceed the Covered Individual’s average weekly wage, the weekly benefit amount for a period shall not be reduced by the amount of wage replacement that a Covered Individual on family or medical leave receives for that period from:

(a) a disability policy or program of the Employer associated with a disability that provides benefits for no more than 12 months.

(b) a paid family or medical leave policy of the Employer.

Other Income Not Subject to Deduction:

BP17 If the Carrier includes a section that describes other income not subject to deduction it should list each of the items, provided that none of the items are referenced under the offset section.

EXCLUSIONS
EX1 The Policy should not have any exclusions that are not specifically listed in either the PFML statute and regulations. If there are future changes to the PFML statute and regulations, these exclusions should be consistent with those changes.

CLAIM PROVISIONS

This section will inform Covered Individuals how they may initiate claims for paid leave benefits. The Carrier and the Employer may not impose requirements related to notice of the need for leave or the filing of a claim for benefits that are inconsistent with notice provisions in the PFML statute or regulations.

CP1 The Carrier should clearly explain any claim provisions for paid family and/or medical leave.

CP2 The Carrier shall explain that the individual may be required to provide consent to the Carrier to share information with the Employer and with the health care provider in order to process the claim.

CP3 The Carrier may require the Covered Individual to provide a notice of an intent to file a claim to the Carrier not greater than 30 calendar days prior to the date that the approved family leave period begins or the Serious Health Condition prevents work.

CP4a If the Carrier requires a notice period, the Carrier must allow an exception for circumstances beyond the reasonable control of a Covered Individual. In this case, the Carrier may require that the notice be given as soon as practicable.

CP4b The Carrier may require that notices are sent to the Employer and may indicate that a claim may be delayed or denied if this notice is not given.

CP5 The Carrier may require that in the case of medical leave when planning medical treatment, the Covered Individual must consult the Employer to schedule treatment that will not unduly disrupt the Employer’s operations. In this case, the Carrier may contact the Employer within five days of a claim to collect information relevant to the claim.

CP6 The Carrier should clearly state that decisions on a claim for paid leave benefits will be made within 14 calendar days of application after approving an application, unless that determination occurs more than 14 calendar days before the onset of eligibility, in which case the carrier shall commence payment of leave benefits as soon as eligibility begins.

Certifications and Documentation Requests

CD1 This section will describe the permissible certifications and documentation that the Carrier or the Employer may request from Covered Individuals.

CD2 The Carrier may not include certification or other proof requirements in the Policy that exceed those permitted under the PFML statute or regulations.

CD3 Neither the Employer nor Carrier may require the Covered Individual to submit additional evidence unless it is specifically authorized in the PFML statute or regulations.

Certification of Serious Health Condition

CH1 For medical leave, family leave to care for a family member with a serious health condition, and Family Leave to care for a family member who is a Covered Service Member, the Carrier may not

____AL2 The Carrier may also require that the Covered Individual provide written notice of any change of status as an adoptive or foster parent while an application for benefits is pending or while the Covered Individual is receiving benefits. In this instance, the Covered Individual,
within five business days of such change in status, may be required to provide written notice of the change to the Carrier. The Department of Children and Families may confirm in writing the Covered Individual’s status as an adoptive or foster parent while an application for benefits is pending or while the Covered Individual is receiving benefits.

CA1 The Policy must include a section notifying the Covered Individual that if a paid family or medical leave claim is denied, the Covered Individual has the right to appeal a denial of the claim to the DFML within ten calendar days of receipt of notice of the determination pursuant to 458 CMR 2.14.

CA2 The policy should include relevant contact information for the DFML.

If the Carrier denies a claim, it must include in the denial notice that the Covered Individual may appeal a denial to the DFML and should identify how to contact the DFML.

Definitions

The definitions in the policy must align with the PFML statute and regulations, when applicable.

Terms defined under the Federal Family Medical Leave Act of 1993, as amended, and its implementing regulations shall be treated as persuasive, supplementary authority when those definitions are not facially inconsistent with the terms adopted in M.G.L. c. 175M and 458 CMR 2.00 and may be modified with any subsequent amendments or revisions to the PFML statute and regulations.

The following terms shall be included within the Policy:

DF1 Benefit Year: the period of 52 consecutive weeks beginning on the Sunday immediately preceding the first day paid family or medical leave commences for the Covered Individual.

DF2 Continuing Treatment by a Health Care Provider: includes any one or more of the following:

(a) Incapacity and treatment. A period of incapacity of more than three consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:

1. Treatment two or more times, within 30 calendar days of the first day of incapacity, unless extenuating circumstances exist, by a health care provider, by a nurse under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider; or

2. Treatment by a health care provider on at least one occasion, which results in a regimen of continuing treatment under the supervision of the health care provider. Treatment includes examination to determine if there is a serious health condition. Treatment does not include routine physical examinations, eye examinations, or dental examinations. A regimen of continuing treatment includes a course of prescription medication or therapy requiring specialized equipment to resolve or alleviate the health condition.
3. The requirement for treatment by a health care provider means an in-person visit to a health care provider. The first (or only) in-person treatment visit must take place within seven calendar days of the first day of incapacity.

4. Whether additional treatment visits or a regimen of continuing treatment is necessary within the 30-day period shall be determined by the health care provider.

5. The term extenuating circumstances means circumstances beyond the employee's control that prevent the follow-up visit from occurring as planned by the health care provider. Whether a given set of circumstances are extenuating depends on the facts. For example, extenuating circumstances exist if a health care provider determines that a second in-person visit is needed within the 30-day period, but the health care provider does not have any available appointments during that time period.

(b) Pregnancy or Prenatal Care. Any period of incapacity due to pregnancy, or for prenatal care.

(c) Chronic Conditions. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:
   (1) Requires periodic visits (defined as at least twice a year) for treatment by a health care provider, or by a nurse under direct supervision of a health care provider;
   (2) Continues over an extended period of time (including recurring episodes of a single underlying condition); and
   (3) May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).

(d) Permanent or Long-term Conditions. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The Covered Individual or the Covered Individual’s family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke, or the terminal stages of a disease.

(e) Conditions Requiring Multiple Treatments. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, for:
   1. Restorative surgery after an accident or other injury; or
   2. A condition that would likely result in a period of incapacity of more than three consecutive, full calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).
(f) Absences attributable to incapacity under Continuing Treatment by a Health Care Provider (b) or (c) qualify for leave even though the employee, Covered Individual or the covered family member does not receive treatment from a health care provider during the absence, and even if the absence does not last more than three consecutive, full calendar days.

(g) Cosmetic treatments are not serious health conditions unless inpatient hospital care is required or unless complications develop.

______DF3 Contributions: The payments made by an employer, a covered business entity, an employee, or a self-employed individual to the Family and Employment Security Trust Fund, as required by M.G.L. c. 175M, or contributions to a private plan while the private plan is in effect.

______DF5 The Department of Family and Medical Leave (DFML): The state agency established in M.G.L. c. 175M, § 8.

______DF6 Eligibility Date: This term means the earliest date the Covered Individual is eligible for coverage under this Policy, and the Covered Individual has satisfied all requirements for coverage to begin.
