	Descrip	tion of Organiz	vation	-							
11.		Description of Organization  Briefly describe your organization.									
	Partners HealthCare System, Inc. ("PHS") is the parent organization of an integrated health system ("Partners HealthCare") founded by Brigham and Women's Hospital and Massachusetts General Hospital. In addition to its two academic medical centers, Partners HealthCare includes community and specialty hospitals, a managed care organization community health centers, a physician network, home health and long-term care services, and other health-related entities. Partners HealthCare is one of the nation's leading biomedical research organizations and its hospitals are principal teaching affiliates of Harvard Medical School. PHS and substantially all of the organizations that comprise Partners HealthCare are non-profit organizations.
