Notes: "NewCo" includes Addison Gilbert Hospital, AJH, BayRidge Hospital, Beverly Hospital, BIDMC, BID-Milton, BID-Needham, BID-Plymouth, LHMC-Burlington, LHMC-Peabody, MAH, NEBH, and Winchester Hospital.

Counts represent the number of unique patients that visited a facility on a NewCo hospital license for inpatient or outpatient services, including patients who were admitted through the emergency department. Unique patients are identified at the hospital level, with the exception of Addison Gilbert Hospital, BayRidge Hospital, and Beverly Hospital, which are jointly identified, and LHMC-Burlington and LHMC-Peabody, which are also jointly identified. Patients visiting multiple NewCo hospitals in a given year are not uniquely identified.

Patients for whom a gender is not specified or whose gender varies across visits over the time period are included in "Other."

Patients who fall into multiple age categories in a given year are included in the younger category.

Race information is self-reported. Patients for whom a race is not specified or whose race varies across visits over the time period are included in "Other."

A patient is included in the "Chronic Condition" category in a given year if the primary ICD diagnosis code for any inpatient visit during the year is associated with a chronic condition identified by CMS for Medicare ACOs. Only inpatients are included in the chronic condition counts.

A patient is included in the "Behavioral Health" category in a given year if the primary ICD diagnosis code for any inpatient visit during the year is classified under the Clinical Classifications Software "Mental Illness" Level I Description. Only inpatients are included in the behavioral health counts.

Patients whose primary payor is missing in the data are included in "Unknown." Patients whose primary payors within a given fiscal year fall into more than one payor category are included in "Multiple Payors." "Other" includes the following payor categories: self pay, worker's compensation, other government payment, free care, health safety net, auto insurance,

NewCo
FY 2015 - FY 2017

Demographic Measure (1)	FY 2015		FY 2016		FY 2017	
	Count (2)	Percent (3)	Count (4)	Percent (5)	Count (6)	Percent (7)

Commonwealth Care/ConnectorCare plans, and dental plans.

Patients were assigned the ZIP Code from their last visit in the given fiscal year. Patients with a missing or invalid ZIP Code or from a ZIP Code from which less than 0.5% of the hospital's patients originate in all years are included in "Other."

A fiscal year spans October 1 of the previous year to September 30 of the given year. For example, fiscal year 2015 spans October 1, 2014 to September 30, 2015.
