BOARD OF
PHARMACY

CONSENT AGREEMENT

The Board of Registration in Pharmacy ("Board") and Patrycia K. Gieraltowski, ("Registrant"), a pharmacy technician registered by the Board (Pharmacist Registration No. 7301), do hereby stipulate and agree that the following information shall be entered into and becomes a permanent part of the file of the Registrant which is maintained by the Board:

1. The parties enter into this Consent Agreement ("Agreement") in order to resolve disputed matters arising out of a complaint pending against the Registrant before the Board as Docket No. PH-07-055 (the "Complaint"). The Complaint alleges that on or about June 14, 2006, Registrant, while employed as a pharmacy intern at Children's Hospital, 300 Longwood Avenue, Boston, Massachusetts, engaged in unprofessional conduct by failing to prepare a prescription properly. Specifically, the complaint alleged that Registrant incorrectly prepared a Busulfan intravenous (IV) injection. On July 19, 2006, the Board issued Registrant a pharmacy technician registration. Registrant is currently employed as pharmacy technician at Children's Hospital.
2. The Board held an investigative conference in this matter on November 21, 2006.
3. Accordingly, the Registrant freely acknowledges and agrees to the following:
 - a. That her conduct as described in Paragraph 1 above constitutes conduct which falls below accepted professional practice standards and warrants disciplinary action by the Board for conduct in violation of G.L. c. 112, s. 61 and 247 CMR 9.01.
 - b. That her pharmacy technician registration is hereby **REPRIMANDED** by the Board;
 - c. Registrant's pharmacy technician registration shall be placed on **PROBATION** for a minimum twelve month period ("Probationary Period"), commencing on the Effective Date of this Agreement;
4. The Agreement and its contents shall become a part of the records maintained by the Board, and as such, are public records subject to disclosure to the public, other licensing boards, and the National Association of Boards of Pharmacy.

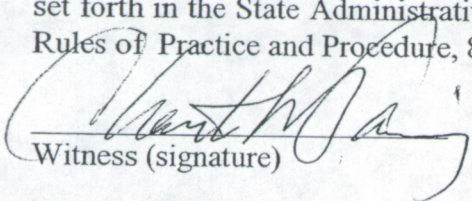

5. In consideration of Registrant's execution of this Agreement, the Board will not advance the prosecution of the Registrant pursuant to the Complaint; any and all other rights of the Board to take action within the scope of its authority are expressly reserved.

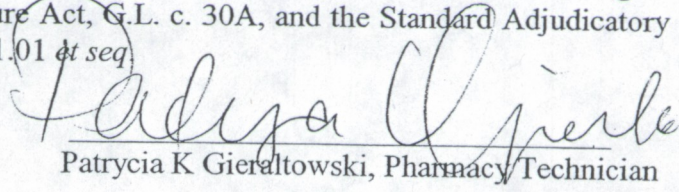

6. The Registrant understands and agrees that her failure to satisfy the terms of this Agreement shall constitute grounds for the Board to take additional disciplinary action regarding the License of the Registrant without the requirement for additional proceedings pursuant to the State Administrative Procedure Act (G.L. c. 30A) and 801 CMR 1.00 *et. seq.*

7. The Registrant understands and agrees that her decision to enter into this Agreement and to accept the terms and conditions herein described is a final act and is not subject to reconsideration or judicial review.

8. The Registrant states that she has used legal counsel in connection with his decision to enter into this Agreement or, if she did not, that she had an opportunity to do so and that her decision to enter into this Agreement was made of her own free will.

9. Registrant certifies that she has read this document entitled "Consent Agreement". The Registrant understands that, by executing this Agreement, she is waiving his right to a formal hearing at which she would possess the rights to confront and cross-examine witnesses, to call witnesses, to present evidence, to testify on her own behalf, to contest the allegations, to present oral argument, to appeal to the court in the event of an adverse ruling, and all other rights set forth in the State Administrative Procedure Act, G.L. c. 30A, and the Standard Adjudicatory Rules of Practice and Procedure, 801 CMR 1.01 *et seq.*
