A. RC I Child

RC I Child includes Enrollees who are non-disabled, under the age of 21, and in the MassHealth Standard or the Family Assistance coverage types as described in 130 CMR 505

B. RC I Adult

RC I Adult includes enrollees who are non-disabled, age 21 to 64, and in the MassHealth Standard or the Family Assistance coverage types as described in 130 CMR 505.

C. RC II Child

RC II Child includes Enrollees who are disabled, under the age of 21, and in MassHealth Standard or CommonHealth as described in 130 CMR 505.

F. RC X

RC X includes Enrollees who are age 21 to 64, and in CarePlus as described in 130 CMR 505 who are receiving Emergency Aid to the Elderly, Disabled and Children (EAEDC) through the Massachusetts

Section 4.2 Payment Methodology

A. General

EOHHS shall make Primary Care Sub-Capitation Payments to the Contractor for Primary Care Sub-Capitation Included Services and administrative payments (together “PCACO Payments”) to the Contractor, in accordance with the payment provisions in this **Section 4** and **Appendix I**.

B. Primary Care Sub-Capitation Payments

Primary Care Sub-Capitation Payments shall reflect the applicable costs related to Primary Care Sub-Capitation Included Services as outlined in **Section 2.14.A.2**. For the Contract Year, the Contractor’s Primary Care Sub-Capitation Payments shall be as set forth in **Appendix I**. EOHHS shall account for such payments in the TCOC Benchmarks as set forth in **Section 4.3**.

C. Non-Medical Payments

1. Administrative Payments

EOHHS shall pay the Contractor an amount that reflects the Contractor’s administrative costs under this Contract. Such administrative payments shall reflect the applicable cost of administrative services, underwriting gain, care management, the Community Partners Program, and any other non-medical costs not otherwise paid for under the Contract, including but not limited to administering the Flexible Services Program and activities related to advancing Health Equity. For the Contract Year, the amount of the administrative payments shall be as in **Appendix I**.

2. Quality Incentive Payment

EOHHS shall pay the Contractor a payment based on the Contractor’s Quality Score described in **Section 2.10.C** and as further set forth in **Appendix B**. Such payment shall equal no more than two percent of the Contractor’s TCOC Benchmarks for the Contract Year as described in **Section 4**.

3. Health Equity Incentive Payment

EOHHS shall pay the Contractor a payment based on the Contractor’s Health Equity Score described in **Section 2.12.E** and as further set forth in **Appendix B**. Such payment shall equal no more than two percent of the Contractor’s TCOC Benchmark for the Contract Year as described in **Section 4**.

D. PCACO Payment Methodology

PCACO Payments shall be paid per-Enrollee, per-month, or in another manner specified by EOHHS.

E. Risk Adjusted PCACO Payments

EOHHS may risk adjust the Administrative Payments. EOHHS shall use a statistical methodology to calculate diagnosis-based risk-adjusters using a generally accepted diagnosis grouper beginning on the Contract Operational Start Date to reflect the different health status (acuity) of Enrollees enrolled in the Contractor's Plan. Such risk adjustment shall be based on an aggregation of the individual risk scores of Enrollees enrolled with the Contractor. EOHHS may risk adjust the Administrative Payments at least annually. The Risk Adjusted PCACO Payment shall equal the sum of the Administrative Payments after risk adjustment, if any, has been applied as determined by EOHHS, and the Primary Care Sub-Capitation Payments set forth in **Appendix I**. The Contractor shall accept as payment in full such Risk Adjusted PCACO Payments.

F. Flexible Services Allocation

As described in **Section 2.14.B**, EOHHS shall pay the Contractor for the Flexible Services as set forth in **Appendix E**.

G. Shared Savings / Shared Losses Payment

EOHHS shall calculate a Shared Savings / Shared Losses Payment for the Contract Year as set forth in **Section 4.5**.

Section 4.3 TCOC Benchmarks Development Methodology

A. TCOC Benchmarks Development

1. EOHHS shall annually develop the TCOC Benchmarks and PCACO Payments for each Rating Category in each Region.
2. EOHHS shall calculate the Contractor's TCOC Benchmarks each Contract Year as follows:
 - a. EOHHS shall calculate the Contractor's Historic TCOC and the Contractor's Market-Rate TCOC as described in this Section;
 - b. EOHHS shall blend the Contractor's Historic TCOC and the Contractor's Market-Rate TCOC as further specified by EOHHS. EOHHS may increase each Contract Year the portion of the blend that is based on the Contractor's Market Rate TCOC, as further specified by EOHHS. The resulting amount shall be the Contractor's TCOC Benchmarks;
 - c. EOHHS shall calculate the Contractor's Historic TCOC as follows:
 - 1) EOHHS shall calculate the Contractor's TCOC during a baseline period, as further specified by EOHHS;
 - 2) EOHHS shall adjust such TCOC to account for anticipated trend between the baseline period and the Contract Year, and to account for the anticipated impact of changes to the MassHealth program to ensure that the Contractor is

not unfairly penalized or rewarded for such program changes, as further specified by EOHHS. Such amount shall include adjustments related to the Primary Care Sub-Capitation Payments as set forth in **Section 4.2.B**;

- 3) Such adjusted TCOC shall be the Contractor's Historic TCOC.
- d. EOHHS shall calculate the Contractor's Market-Rate TCOC as follows:
- 1) The Market-Rate TCOC shall be a risk-adjusted per-Enrollee, per month amount representing the average anticipated cost for the Contractor's population of Enrollees based on the market benchmarks of all ACO-Eligible Members, as described in this Section and further specified by EOHHS;
 - 2) EOHHS shall calculate base rates for each EOHHS Rating Category based on the costs of care for all ACO-Eligible Members in each such Rating Category during a baseline period, as further specified by EOHHS, and using similar adjustments and exclusions as described in **Section 4.5.D** for TCOC calculations;
 - 3) EOHHS shall average these base rates across the Contractor's population of Enrollees based on the number of Enrollees the Contractor has in each Rating Category, as further specified by EOHHS;
 - 4) The resulting amount shall be the Contractor's Market-Rate TCOC.
- e. EOHHS shall calculate the Contractor's preliminary TCOC Benchmarks for a Contract Year prior to the start of the Contract Year;
- f. Preliminary TCOC benchmarks shall be concurrently risk adjusted using the methodology as set forth in **Section 4.2.E**. Final TCOC benchmarks shall be further adjusted at the end of the Contract Year as described in **Section 4.5.D**.
- g. Final TCOC benchmarks shall be used in the Shared Savings / Shared Losses Payment calculation as set forth in **Section 4.5**.

Section 4.4 Contractor's Agreement to PCACO Payments and TCOC Benchmarks

- A. PCACO Payments and TCOC Benchmarks
1. EOHHS shall meet with the Contractor annually, upon request, to announce and explain the TCOC Benchmarks and PCACO Payments.
 2. Prior to the beginning of the Contract year, EOHHS shall incorporate, by amendment, the TCOC Benchmarks and PCACO Payments by RC and Region into the Contract at **Appendix I**.

B. Acceptance of PCACO Payment and TCOC Benchmarks

1. Prior to the beginning of the Contract Year, the Contractor shall accept the TCOC Benchmarks and PCACO Payments for the new Contract Year as follows:
 - a. In writing, in a form and format specified by EOHHS, by a deadline specified by EOHHS.
 - b. Prior to the beginning of the Contract year, by executing an amendment to the Contract incorporating the new TCOC Benchmarks and PCACO Payments, as described above.
2. Prior to the beginning of the Contract year, the Contractor shall notify EOHHS in writing, in a form and format specified by EOHHS, of the Contractor's selected Risk Track as set forth in **Section 4.5.C** and minimum savings and losses threshold as described in **Section 4.5.C**.
3. EOHHS may amend the TCOC Benchmarks or PCACO Payments at such other times as may be necessary as determined by EOHHS, or as a result of changes in federal or state law, including but not limited to, to account for changes in eligibility or TCOC Included Services.

C. Failure to Accept TCOC Benchmarks and PCACO Payments

1. In the event that the Contractor fails to execute an amendment to the contract incorporating the new TCOC Benchmarks and PCACO Payments for the new Contract Year as described above, EOHHS shall, starting January 1, pay the Contractor in accordance with **Section 4.2** using the new Contract Year's PCACO Payments less 1.5% of such payments and adjust the TCOC Benchmarks downward by 1.5%. The Contractor shall accept such PCACO Payments as payment in full under the Contract. EOHHS shall pay the PCACO Payments and adjust the TCOC Benchmarks as described in this Section until either the Contractor accepts the new Contract Year's TCOC Benchmarks and PCACO Payments in accordance with **Section 4.2.D** above or until EOHHS terminates the Contract. EOHHS shall reflect any downward adjustment to the TCOC Benchmarks in the calculations described in **Section 4.5**.
2. In the event that the Contractor does not accept in writing the TCOC Benchmarks and PCACO Payments for the new Contract Year as described above, EOHHS may halt all new Enrollee assignments to the Contractor's Plan until the Contractor accepts the TCOC Benchmarks and PCACO Payments offered by EOHHS.
3. In the event that the Contractor does not execute the amendment incorporating the new TCOC Benchmarks and PCACO Payments for the new Contract Year within 60 days following the end of the prior Contract Year, EOHHS may terminate the Contract.
 - a. EOHHS will provide the Contractor notice of contract termination, and the Contract shall be terminated on a date determined by EOHHS.
 - b. The Contractor shall continue to provide Primary Sub-Capitation Included Services and meet all other obligations to Enrollees under this Contract, until such time as all

Enrollees are disenrolled from the Contractor's Plan as described in **Section 5.23.H**.

4. For any period of time where the Contractor is providing TCOC Included Services pursuant to Continued Obligations under **Section 5.23.H**, EOHHS shall pay Primary Care Sub-Capitation Payments in accordance with **Section 4.2.B**. If the Contractor does not execute an amendment to incorporate the new TCOC Benchmarks and PCACO Payments by the end of the prior Contract Year in accordance with **Section 4.4.B**, as described above, EOHHS may require the Contractor to pay any lost Federal Financial Participation or other lost federal funding to EOHHS, as further specified by EOHHS.

Section 4.5 Shared Savings and Losses for Total Cost of Care (TCOC)

A. Market-Wide Risk Sharing Arrangement ("Market Corridor") for the Contract Year

1. Overall Approach

As further described in this Section, this risk sharing arrangement shall be based on certain revenue and expenditures across MassHealth managed care plans, described as Market Corridor revenue and Market Corridor expenditures, respectively.

2. Market Corridor Revenue

EOHHS shall first determine the Market Corridor revenue. For each MassHealth Accountable Care Partnership Plan ("ACPP"), Managed Care Organization ("MCO"), Primary Care Accountable Care Organization ("PCACO"), and the Primary Care Clinician Plan ("PCC Plan") (each a "plan"), EOHHS shall multiply by Region and Rating Category each plan's respective Core Medical component of the Base Capitation Rate or total cost of care (TCOC) benchmarks, as applicable, for the Contract Year, per member, per month, by each plan's experienced member months for the Contract Year as determined by EOHHS, and by each plan's concurrent risk scores. The sum of such calculation across plans shall equal the Market Corridor revenue.

3. Market Corridor Expenditures

EOHHS shall then determine the Market Corridor expenditures. Such expenditures shall equal the sum across plans of Core Medical actual medical expenditures related to Included Services in TCOC in **Appendix A**, covered services (for ACPPs and MCOs), and comparable services for the PCC Plan for the applicable Contract Year in aggregate across all Regions and Rating Categories, as applicable, and based on EOHHS data for the Contractor and the PCC Plan and data provided by ACPPs and MCOs to EOHHS.

EOHHS may make appropriate adjustments as necessary, including, but not limited to, ACPP, MCO, PCACO, and PCC Plan specific adjustments, related to the Market Corridor expenditure calculation described above.

4. If the Market Corridor expenditures, as determined by EOHHS in accordance with the above provisions, are greater than or less than the Market Corridor revenue, as determined by

EOHHS in accordance with the above provisions, the Contractor's share of the resulting loss or gain shall be an adjustment applied to the Contractor's TCOC Benchmarks for the purposes of calculating the Contractor's Shared Savings or Shared Losses in **Section 4.5.B** below. The Contractor shall share in the resulting loss or gain in accordance with **Appendix I**.

5. EOHHS shall exclude from all calculations related to this risk sharing arrangement any reinsurance premiums paid by plans and any recovery revenues received if plans choose to purchase reinsurance.

B. Shared Savings/Shared Losses Calculations

EOHHS shall calculate the Contractor's Shared Savings or Shared Losses payment for each Contract Year as follows:

1. EOHHS shall calculate the Contractor's TCOC Benchmarks as described in **Section 4.3**.
2. EOHHS shall calculate the Contractor's TCOC Performance as described in **Section 4.5.D**;
3. EOHHS shall subtract the Contractor's TCOC Performance from Contractor's TCOC Benchmarks set forth in **Appendix I, Exhibit 4**. If such difference is equal to an amount greater than zero (0), such difference shall be the Contractor's Savings. If such difference is equal to an amount less than zero (0), such difference shall be the Contractor's Losses. If such difference equals zero (0) and the Contractor's TCOC Performance and TCOC Benchmarks are equal to each other, the Contractor shall have neither Savings nor Losses for the Contract Year;
4. If the Contractor has Savings or Losses, EOHHS shall calculate the Contractor's Shared Savings payment amount or the Contractor's Shared Losses payment amount, respectively, based on the Contractor's Risk Track, as described in **Section 4.5.C**. If the Contractor has neither Savings nor Losses for the Contract Year, the Contractor shall have neither a Shared Savings payment nor a Shared Losses payment;

C. Risk Tracks

1. The Contractor shall, prior to the Contract Operational Start Date or other date as determined by EOHHS, select Contractor's Risk Track and notify EOHHS in writing of such selection. The Contractor's Risk Track for the TCOC Benchmarks shall be either Risk Track 1 – Full Accountability (as described in **Section 4.5.C**) or Risk Track 2 – Shared Accountability (as described in **Section 4.5.C**) or Risk Track 3 – Narrow Accountability (as described in **Section 4.5.C**). As further specified by EOHHS, the Contractor may annually change the Contractor's Risk Track, as approved in writing by EOHHS. The Contractor shall choose its Risk Track for each Contract Year as set forth in **Section 4.4.B.2**. The Contractor may not change the Contractor's chosen Risk Track until the process begins for the next Contract Year.
2. EOHHS shall calculate Shared Savings and Shared Losses payments for the TCOC Benchmarks subject to the following risk corridor provisions:

- a. The minimum savings and losses threshold shall both be equal to either one percent (1%) or two percent (2%) of the TCOC Benchmarks aggregated across all Regions and Rating Categories, as chosen by the Contractor through a defined process and according to a timeline specified by EOHHS. If the Contractor's Savings aggregated across all Regions and Rating Categories or the absolute value of the Contractor's Losses aggregated across all Regions and Rating Categories are less than the Contractor's chosen threshold of the TCOC Benchmarks, there shall be no Shared Savings or Shared Losses payment. The Contractor shall choose its minimum savings and losses threshold as set forth in **Section 4.4.B.2**. The Contractor may not change the Contractor's chosen minimum savings and losses threshold until the process begins for the next Contract Year.
 - b. The savings and losses cap shall be equal to 10% of the TCOC Benchmarks (hereinafter referred to as "the cap"). If the Contractor's Savings for the TCOC Benchmarks are greater than the cap, the Contractor's Shared Savings payment shall be calculated as if the Contractor's Savings were equal to the cap, and the Contractor shall receive no additional Shared Savings payment for any Savings beyond the cap. If the absolute value of the Contractor's Losses for the TCOC Benchmarks are greater than the cap, the Contractor's Shared Losses payment shall be calculated as if the absolute value of the Contractor's Losses were equal to the cap, and the Contractor shall make no additional Shared Losses payment for any Losses beyond the cap;
 - c. Risk Track 1 – Full Accountability

If the Contractor selects Risk Track 1 – Full Accountability, then subject to the provisions in **Section 4.5.B**, the Contractor's Shared Savings payment or Shared Losses payment shall be as set forth in **Appendix I, Exhibit 4**.
 - d. Risk Track 2 – Shared Accountability

If the Contractor selects Risk Track 2 – Shared Accountability, then subject to the provisions in **Section 4.5.B**, the Contractor's Shared Savings payment or Shared Losses payment shall be as set forth in **Appendix I, Exhibit 4**.
 - e. Risk Track 3 – Narrow Accountability

If the Contractor selects Risk Track 3 – Narrow Accountability, then subject to the provisions in **Section 4.5.B**, the Contractor's Shared Savings payment or Shared Losses payment shall be as set forth in **Appendix I, Exhibit 4**.
3. EOHHS may modify the Risk Tracks by amending this Contract, and the Contractor agrees to negotiate in good faith with EOHHS for any modifications to these Risk Tracks proposed by EOHHS.

D. TCOC Performance Calculation

1. EOHHS shall calculate the Contractor's TCOC Performance for a given period as follows:
 - a. TCOC Performance shall include all paid claims and encounters with dates of service during such period, where the Member receiving the service was the Contractor's Enrollee on the date of service, except for services that are not TCOC Included Services. TCOC Included Services are listed in **Appendix A**, "Included Services in TCOC Calculation." EOHHS reserves the right to modify the list of included services by amending this Contract.
 - b. EOHHS shall base TCOC Performance on the amounts paid for such claims and encounters, but shall incorporate certain adjustments to these amounts as further specified by EOHHS to account for effects including but not limited to the different fee schedules historically used by MassHealth and the MassHealth MCOs and price inflation for certain categories of service (e.g., pharmacy);
 - c. Admission-level stop-loss: EOHHS shall exclude from TCOC Performance an amount equal to 95 percent (95%) of allowed expenditures as further specified by EOHHS in excess of an attachment point per Enrollee hospital inpatient admission as determined by EOHHS and set forth in **Appendix I**; and
 - d. EOHHS shall adjust the Contractor's TCOC Benchmarks to reflect in accordance with **Section 4.3** above.
 - e. EOHHS may under certain circumstances make additional, retrospective adjustments to the Contractor's TCOC Benchmarks, to ensure the TCOC Benchmarks is appropriate and to ensure the Contractor is not unfairly penalized or rewarded, as further specified by EOHHS. Such adjustments may include but may not be limited to adjustments such as:
 - 1) Additional program changes not initially captured;
 - 2) Modifications to trend based on unforeseen events; and
 - 3) Adjustments to reflect updated accounting of the number of Enrollees in each rating category.

Section 4.6 Loss of Program Authority

As required by CMS, should any part of the scope of work under this contract relate to a state program that is no longer authorized by law (e.g., which has been vacated by a court of law, or for which CMS has withdrawn federal authority, or which is the subject of a legislative repeal), the Contractor must do no work on that part after the effective date of the loss of program authority. The state must adjust payment to remove costs that are specific to any program or activity that is no longer authorized by law. If the Contractor works on a program or activity no longer authorized by law after the date the legal authority for the work ends, the

Contractor will not be paid for that work. If the state paid the Contractor in advance to work on a no-longer-authorized program or activity and under the terms of this contract the work was to be performed after the date the legal authority ended, the payment for that work should be returned to the state. However, if the Contractor worked on a program or activity prior to the date legal authority ended for that program or activity, and the state included the cost of performing that work in its payments to the Contractor, the Contractor may keep the payment for that work even if the payment was made after the date the program or activity lost legal authority.

SECTION 5. ADDITIONAL CONTRACT TERMS AND CONDITIONS

Section 5.1 Contract Term

The Contract shall be effective upon the Contract Effective Date and end on December 31, 2027; provided however, that EOHHS may extend the Contract in any increments up to December 31, 2032, at the sole discretion of EOHHS, upon terms agreed to by the parties. EOHHS reserves the right to further extend the Contract for any reasonable increment it determines necessary to complete a subsequent procurement. Extension of the Contract is subject to future legislative appropriations, continued legislative authorization, EOHHS' determination of satisfactory performance, and mutual agreement on terms by both parties.

Section 5.2 Notification of Administrative Change

The Contractor shall notify EOHHS in writing no later than 30 days prior to any change affecting it, or its performance of its responsibilities under this Contract, but if a change in business structure is voluntary, the Contractor shall provide a minimum of three months' notice to EOHHS.

Section 5.3 Assignment

The Contractor shall not assign or transfer any right, interest, or obligation under this Contract to any successor entity or other entity without the prior written consent of EOHHS.

Section 5.4 Independent Contractor

The Contractor, its employees, and any other of its agents in the performance of this Contract, shall act in an independent capacity and not as officers or employees of EOHHS or the Commonwealth of Massachusetts.

Section 5.5 Program Modifications and New Initiatives

- A. EOHHS shall have the option at its sole discretion to modify, increase, reduce or terminate any activity related to this Contract whenever, in the judgment of EOHHS, the goals of the project have been modified or altered in a way that necessitates such changes. In the event that the scope of work or portion thereof must be changed, EOHHS shall provide written notice of such action to the Contractor and the parties shall negotiate in good faith to implement any such changes proposed by EOHHS.
- B. EOHHS additionally reserves the right, at its sole discretion, to amend the Contract to implement state or federal statutory or regulatory requirements, judicial orders, settlement agreements, or any state or federal initiatives or changes affecting EOHHS or the Contract.
- C. Notwithstanding the generality of the foregoing, EOHHS reserves the right to amend the Contract to implement new initiatives or to modify initiatives related to:
 - 1. Modifying TCOC Included Services, including but not limited to services related to Behavioral Health services;
 - 2. Expanding managed care eligible Members to include detained or incarcerated individuals in County Correctional Facilities, the Department of Correction, or hardware-secure facilities operated by the Department of Youth Services; and

3. Implementing collective accountability in incentive payments, wherein incentives are tied to collective outcomes across all ACOs rather than outcomes that result from each ACO individually.
 4. Modifying the scope of this Contract to implement other initiatives in its discretion consistent with Delivery System Reform efforts or other MassHealth policy or goals.
- D. The parties shall negotiate in good faith to implement any such initiatives proposed by EOHHS. The Contractor's responsibilities are subject to change due to implementation of such initiatives. EOHHS reserves the right to modify the Contract due to program modifications. In addition, the Contractor may request an opportunity to enter into negotiations with EOHHS over amendments to the Contract related to new initiatives or modified initiatives as described in this Section. EOHHS may grant such a request in its sole discretion.
- E. Any changes under this Section shall be subject to appropriate approvals.

EOHHS acknowledges that its possession, installation or use of Contractor Property will not transfer to it any title to such property. "Contractor Property" also includes Contractor's proprietary tools, methodologies and materials developed prior to the performance of Services and used by Contractor in the performance of its business and specifically set forth in this Contract and which do not contain, and are not derived from,

EOHHS's Confidential Information, EOHHS's Property or the Commonwealth Data.

2. Except as expressly authorized herein, EOHHS will not copy, modify, distribute or transfer by any means, display, sublicense, rent, reverse engineer, decompile or disassemble Contractor Property.
3. The Contractor grants to EOHHS, a fully-paid, royalty-free, non-exclusive, non-transferable, worldwide, irrevocable, perpetual, assignable license to make, have made, use, reproduce, distribute, modify, publicly display, publicly perform, digitally perform, transmit, copy, sublicense to any EOHHS subcontractor for purposes of creating, implementing, maintaining or enhancing a Deliverable, and create derivative works based upon Contractor Property, in any media now known or hereafter known, to the extent the same are embodied in the Deliverables, or otherwise required to exploit the Deliverables. 2. All material contained within a Deliverable and created under this Contract are works made for hire.

3. The Contractor agrees to execute all documents and take all actions that may be reasonably requested by EOHHS to evidence the transfer of ownership of or license to intellectual property rights described in this **Section 5.6** including providing any code used exclusively to develop such Deliverables for EOHHS and the documentation for such code. The Commonwealth retains all right, title and interest in and to all derivative works of Commonwealth Property.

Section 5.10 Prohibited Activities and Conflict of Interest

The Contractor certifies and agrees that it, its employees, affiliates, subcontractors, consultants, and those who have a contract with the Contractor shall:

- A. Not have any interest that conflicts with the performance of services under the Contract for the duration of the Contract, as determined by EOHHS. The Contractor shall inform EOHHS of any potential conflict of interest, in any degree, arising during the term of this Contract.
- B. Not have been debarred by any federal agency, excluded from participation in a program under Titles XVIII, XIX, or XXI of the Social Security Act, or subjected to a civil money penalty under the Social Security Act.
- C. The Contractor shall also comply with the additional terms, conditions and obligations relating to the privacy, security and management of personal and other confidential information determined by EOHHS to apply to this Contract.

EOHHS reserves the right to amend the Contract to add any requirement it determines must be included in the Contract in order for EOHHS to comply with all applicable state and federal laws and regulations relating to privacy and security, including but not limited to the Privacy and Security Rules and any other legal obligations regarding the privacy and security of such information to which EOHHS is subject.
