RE: 2025 Disability Data Changes

DATE: December 12, 2025

To make an accurate determination on the statutory limit of your member's post-retirement earnings as a disabled public retiree, we need to maintain an accurate and current disability retiree database. We respectfully request that you review the list of your board's disability retirees in PROSPER and make all necessary address and status changes that occurred in the **year 2025**. These changes should be made when a member is deceased, confined to a nursing home, has waived his/her allowance, has returned to active status, and/or has had a change of address.

To locate the list in PROSPER you will need to enter through the **Members** tab, select **Member Update**, and then, after clicking on **Export Member Info**, a CSV file will be created. This file will show what information we have regarding your board's disability retirees. (*Screen shot shown below - Table A*).

If an address needs to be changed, you can now do it yourself by searching for an individual under the **Member Update Refinement** within the **Members** tab. From there, you will be able to enter the new address. Please include an email address for the member, if available. (*Screen shot shown below - Table B*).

If a member is deceased, you will need to update PROSPER by accessing the member through the **Members** tab, clicking on **Member Search**, entering the member's name and clicking **Search**. After you select the member you are looking for, a window will open where you can enter the date of death and upload either a death certificate or a death notice.

If a member has a Power of Attorney (POA), and needs an address change, please notify Sandra King, at [Sandra.E.King@mass.gov](mailto:Sandra.E.King@mass.gov) and she will make the change. If the exported list indicates that there is a POA, then the POA documents are not needed. However, if you are adding a POA for a member, the POA documents must be emailed in .PDF format to Ms. King.

RE: 2025 Disability Data Changes

Please note, due to Chapter 176 of the Acts of 2011, certain disability retirees no longer need to file the Annual Statement of Earned Income. As a result, your report will show who has filed an Affidavit certifying that they no longer need to file. You may also notice a member may have a Special Status such as *Waived*, *Modified*, *Nursing Home*, or *Special Act*. If any such status is incorrect or needs to be adjusted, please comment next to such member, and email the list back to Ms. King.

If any member is missing from the list, please add them at the bottom of the list with a comment and email it back to Ms. King. Please update or return information to PERAC **no later than January 16, 2026**, to ensure accuracy in our member database prior to our mailing of the 2025 Annual Statements of Earned Income (91A).

**All Disability Retirees will be able to file their 91A form electronically.** PERAC will be mailing and emailing a postcard in January to all members on your list notifying them of this option. When updating your members' information in PROSPER please include email addresses. PERAC strongly encourages all Disability retirees to take advantage of the electronic filing, since they will receive an instant response that their submission has been received.

Also, if you have no changes to any of your disability retirees, please send an email to Ms. King stating there will be no changes. Should you have any questions, or if you need any assistance, please do not hesitate to contact Ms. King.

**PERAC anticipates the 91A forms to be in the mail by the end of February and returned to our new location at 10 Cabot Road, Suite 300, Medford, MA 02155 by April 15, 2026.**

Thank you for your continued cooperation in this matter. And please encourage your members to file their 91A form electronically with PERAC.
