MEMORANDUM

TO: All Retirement Boards

FROM: Bill Keefe, Executive Director

RE: Mandatory Retirement Board Member Training – 1st Quarter, 2026

DATE: December 30, 2025

Chapter 32 mandates retirement board members to complete training during each year of service on the retirement board. This requirement has two elements: 18 credits over the course of the member's term and at least 3 credits in each year of the term. Failure to meet either of these statutory standards will prohibit the member from serving beyond the conclusion of the term for which the training requirement was not met. We urge board members to utilize the full array of training choices in order to remain eligible to serve. All classes, webinars, seminars, and conferences listed will earn **three credits each**, unless otherwise noted.

Ways to receive your credits:

- Credits for attending *live* PERAC webinars and the New Administrator Training are automatically updated by PERAC staff approximately one week after each event.
 - All attendees must register through the links available on our website.
 - Board members seeking educational credits – it is important that you register with your full name and the email address we have on record so we can accurately update your account.
- You must submit a completed Training Affidavit in PROSPER for all other trainings, including pre-recorded PERAC webinars and pre-approved webinar and conference attendance. Any session listed under sections I, II, and III are pre-approved.
- If a Certificate of Completion is offered for training not directly provided by or sponsored by PERAC, you must submit the certificate through PROSPER to receive credit.
- Please note the full name of the recorded session you have viewed when submitting a Training Affidavit in PROSPER.
- Some sessions require pre-registration. Check individual sessions for closing dates.

The Commission appreciates all the retirement board members who are making a good faith effort to fulfill their duties and responsibilities. We wish you a safe and happy new year!

V. Other Opportunities to Obtain Educational Credit

The Commission is willing to approve other educational credits for a variety of events sponsored by "...local, state, regional and national organizations recognized by the Commission as having expertise in retirement issues of importance to retirement board members or other entities..."

Additionally, the Commission has approved education credit for participating in webinars. We will entertain requests for credit in relation to *relevant* webinars provided that such a request is made well in advance of the session.

Approval for credit must take place well in advance of the date of the event or webinar.

This will enable the Commission to analyze the program and provide a general notice to other retirement board members to maximize participation. Once approved, you must complete the Training Affidavit in PROSPER to ensure proper credit. Board members experiencing Extenuating Circumstances in meeting educational requirements should review [Memo 15 of 2019](#) and contact PERAC with any questions.
