- TO: All Retirement Boards
- FROM: William T. Keefe, Executive Director
- RE: Actuarial Data
- DATE: January 30, 2025

At this time, we are requesting that Boards submit data for active members, retirees/survivors and disability retirees as of December 31, 2024. Please submit the data by March 31, 2025 in the standard PERAC record format.

The data files must be submitted via the PROSPER portal. If you have any questions about PROSPER, please contact John Boorack.

After we receive your data, you will receive data analysis reports through the PROSPER portal that you can use to review and/or correct any questionable items, warnings or errors that are identified in your data. We are available to work with you as you review the data analysis reports. We strongly recommend sound data maintenance practices to ensure that actuarial valuations are reliable and may be completed in a timely manner.

If you are scheduled to have an actuarial valuation performed by PERAC in 2025, you should have previously received a separate request for the data.

Thank you for your cooperation in this regard.
