

ABOUT DTA

Our Mission

The mission of the Department of Transitional Assistance is to assist and empower low-income individuals and families to meet their basic needs, improve their quality of life, and achieve long-term economic self-sufficiency.

The Department of Transitional Assistance is committed to quality service delivery in the furtherance of the best outcomes for the individuals and families we serve. This performance scorecard is a transparent effort to reflect our performance levels and to serve as our vehicle for continuous improvement. Serving 1 in 6 Massachusetts residents is challenging, and we welcome your review of our efforts in helping these residents secure healthy food and meet their basic human needs.
