ABOUT DTA

Our Mission
The mission of the Department of Transitional Assistance is to assist and empower low-income individuals and families to meet their basic needs, improve their quality of life, and achieve long-term economic self-sufficiency.

DTA is experiencing an unprecedented demand for our services and benefits. We continue to pursue all available tools and resources to help Commonwealth individuals and families purchase healthy food and meet their basic needs. DTA will continue to use available data to drive decision-making and direct our response during the COVID-19 public health crisis.

— Mary Sheehan
Acting Commissioner, Department of Transitional Assistance
