PETITIONER	TITLE		FACILITY	

The Respondent was charged with the crime(s) of _____.
 On _____, the Respondent was found incompetent to stand trial not guilty by reason of mental illness or defect by the _____
date
 The Respondent is a patient in _____
court of criminal jurisdiction
 _____ facility. (Attach copy of prior G.L. c. 123, §§ 16(b) or 16(c) order of commitment or other writing indicating authority under which the Respondent is being detained).

The Court is being petitioned for the commitment of the Respondent to this or another facility of, or licensed by, the Department of Mental Health, or to Bridgewater State Hospital, for his or her retention therein until such time as there is not a likelihood of serious harm by reason of mental illness if (s)he is not hospitalized for a period of up to **1 year**, or the Respondent becomes competent to stand trial, whichever is less.

Your Petitioner has determined that failure to hospitalize the Respondent would create a likelihood of serious harm by reason of mental illness, and in support thereof states the following:

- 1. The Respondent is mentally ill by reason of a "substantial disorder" within the meaning of 104 CMR 27.05, namely: _____
- 2. By virtue of said disorder, there is, as defined in G.L. c. 123, § 1, a likelihood of serious harm, specifically (check appropriate selection(s) below, and where applicable describe evidence of prior behavior or affected judgment to support each belief):
 - A substantial risk of physical harm to the Respondent himself or herself, which has been manifested by threats of, or attempts at, suicide or serious bodily harm, specifically: _____
 - A substantial risk of physical harm to other persons, which has been manifested by homicidal or other violent behavior or by others being placed in reasonable fear of both violent behavior and serious physical harm to them or specifically: _____
 - A very substantial risk of physical impairment or injury to the Respondent himself or herself as manifested by evidence that the Respondent's judgment is so affected that he or she is unable to protect himself or herself in the community, namely: _____
- 3. (If a Bridgewater commitment is requested) The Respondent is a male and needs strict security because: _____
- 4. (If commitment to any other facility is requested) There is no less restrictive alternative to hospitalization appropriate for the Respondent.
- The record indicates that the nearest relative or guardian of the Respondent is: _____
- The Respondent does not speak English. An interpreter fluent in _____
name and address _____ language is requested.
