

PHIT

Population Health Information Tool

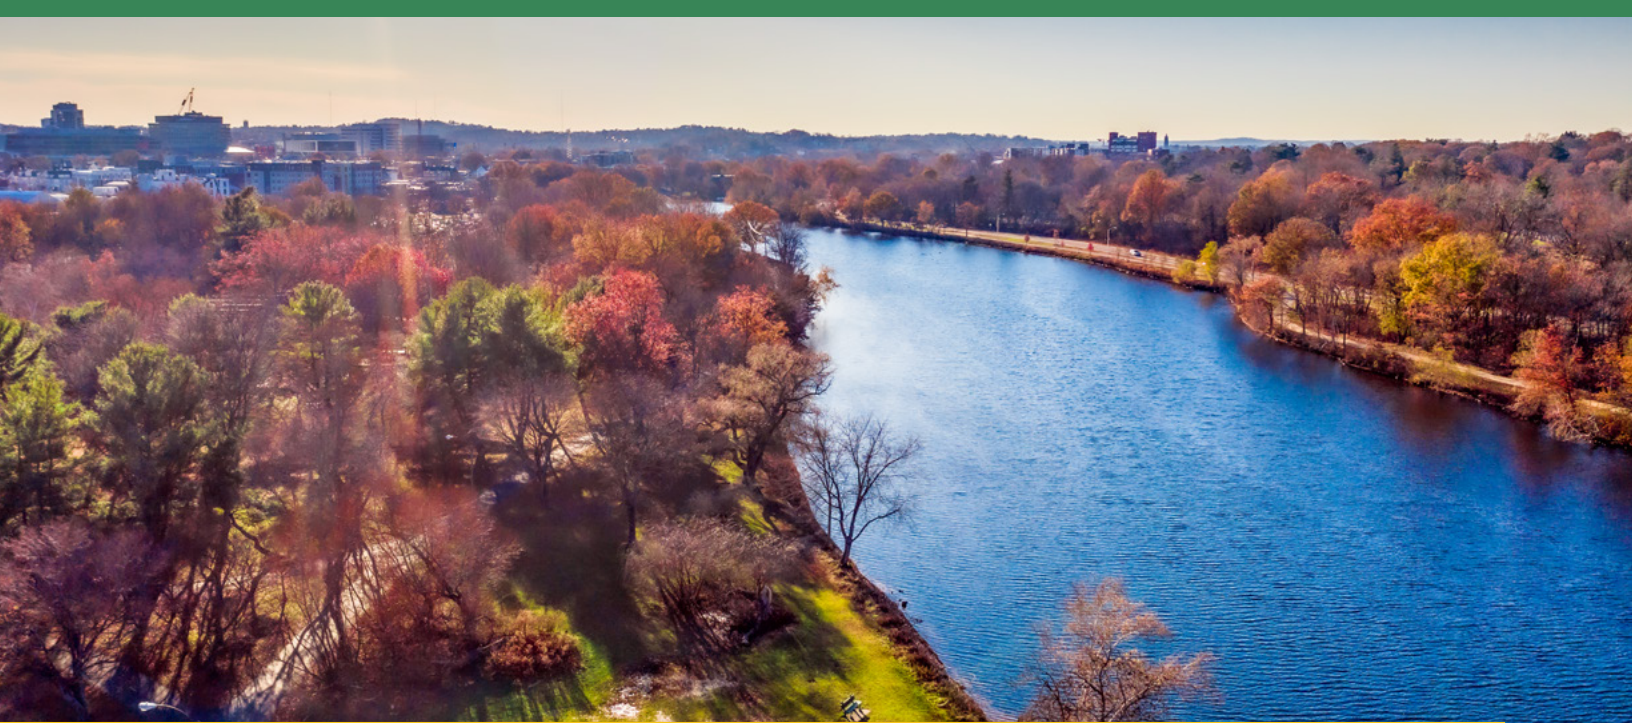

mass.gov/dph/phit

Access Data. Take Action. Impact Health Outcomes.

Use PHIT to:

- Find a variety of public health data in a single location
- Identify health inequities and gain insights to inform data-driven decisions
- Download up-to-date data to use for research and evaluation

PHIT is free to use — no registration required

PHIT is one of the core websites at the Massachusetts Department of Public Health that provides access to public health and racial equity data. Using PHIT data can help you and your organization make data-driven decisions to improve health outcomes and reduce health inequities in Massachusetts.
