NOTICE OF PUBLIC LISTENING SESSION

The Board of State Examiners of Plumbers and Gas Fitters (“Board”) is considering updates to the Uniform State Plumbing Code, 248 CMR 10.00. While the Board continues the drafting process, it would like to obtain feedback from the general public. Along with this notice, the Board is providing its latest working draft, in both clean and red-lined format. The Board requests any interested members of the public, regardless of expertise, to review this draft and provide the Board with comments, opinions, and if desired, alternative language. To facilitate this review, the Board will be holding a public listening session, where the public may provide opinions directly to the Board. Please note, this session is specifically designated for opinions related to 248 CMR 10.00, the Plumbing Code, the Board is not seeking comments on other areas of 248 CMR, such as the gas code or licensing requirements at this time.

The forum will be held is as follows:

When: **Thursday, April 14, 2022**
1:00 p.m. to 3:00 p.m.

Where: via Internet (Microsoft Teams) and Phone – Information below

In addition, the Board welcomes the submission of written comments prior to the meeting, especially if comments are extensive and cannot be shared in a reasonable amount of time at the listening session. Written submissions may be submitted via first-class mail to the address above or in e-mail to: Plumbingboard@mass.gov To ensure adequate time for review by the Board, please make these submissions to the Board prior to April 11, 2022. Questions regarding this meeting should be directed to the Board office at (617) 701-8798.

Reasonable accommodations or modifications will be provided to individuals with disabilities to participate in the meeting taking place on the date listed above. All requests should be directed to Cheryl Yebba by calling 617-727-4992 or TTY/TDD: (617) 727-2099 by no later than a week prior to the meeting. While the Board will attempt to honor all requests, those requests received less than a week prior to the meeting may not be provided due to feasibility.
