

# PLACES OF WORSHIP COVID-19 GUIDELINES

## Establish protocols for confirmed cases of COVID-19

Do not attend services in person if you are experiencing symptoms or have been in contact with a positive case of COVID-19.

Notify local Health Department of any positive cases and for contact tracing.

## Increase hygiene and sanitation

Clean and disinfect place of worship between services.

Ensure attendees and staff wash their hands or use alcohol based hand sanitizers.

## Promote social distancing and use of masks

Clear signage to communicate social distancing guidelines.

Always enforce the use of masks or face coverings.

Promote ventilation for enclosed spaces and where possible open windows.

## Modify services to limit person-to-person contact

Encourage congregants to bring their own worship materials.

Avoid shaking hands, hugging or kissing.
