**Definition**

The term 'Household Goods and Furniture' as used in the tariff means: The transportation of furniture and household goods in whole or in part incident to a move by a householder to or from dwelling and a storage warehouse; or from one dwelling to another.

**Estimates & Quotations**

Carrier cannot quote a firm price on a move from a residence or establishment to another if a public way has to be used by a vehicle. He may give a written estimate, but in doing so be qualified to estimate within (25%) of the actual charges. The final charges to be assessed shall be in accordance with tariff rates.
