

CATV
FORM 100
APPLICATION FORM

Purpose of application:

- ☐ Recertification of an existing license
- ☐ Request for a new license
- ☐ Transfer/assignment of an existing license
- ☒ Renewal of license

INSTRUCTIONS FOR COMPLETING FORM 100

- 1) File two copies of this application with the issuing authority and one copy with the Massachusetts Community Antenna Television Commission.
- 2) The application must be accompanied by a fee of \$100.00 payable to the city or town for which the cable television license is sought.
- 3) *All* applicants must answer Sections I-VI, VIII and IX. Applicants for transfer (transferee) or assignment (assignee) of an existing license must also answer Section VII.
- 4) Answer question on the form itself wherever space is provided for that purpose. Where Exhibits are requested, indicate the Exhibit number in the appropriate blank on the form, keyed to the attachment.
- 5) In completing Attachment 2 (Ownership), follow carefully the instructions for the attachment and (insofar as possible) provide the requested information in the format provided.
- 6) In completing Schedule A, applicants are requested to distribute projected capital and operating expenses according to the following three categories:
 - a) Signals: All costs incurred in capturing or producing any signals fed into the system.
 - b) Distribution: All costs incurred in building and operating the trunk and feeder distribution plant, but excluding drop costs.

8. Indicate period (number of years) for which license is requested: 10

9. If license is granted, and all other necessary authorizations are obtained, specify:
- Within what time period does applicant intend to begin full-scale construction? ____
Complete construction? N/A
 - Attach as Exhibit X a street map of the area to be served. Indicate location of tower or antenna, primary and secondary headends, boundaries of cable districts, and expected paths of system's trunk lines. Also indicate applicant's best estimate as to the time in which construction will be completed and subscriber service available in each segment of the area to be served.

III. SERVICES

10. Attach as Exhibit B a list of all broadcast television signals currently received in the proposed service area. Indicate whether the signal is VHF or UHF, and whether the service area is in the Grade A or Grade B contour of the signal. Where appropriate, list "significantly viewed" signals as defined by the FCC.
11. Attach as Exhibit B the following information concerning broadcast signals the applicant proposes to carry:

Call	Method of Radio
<u>Letters</u> / <u>City</u> / <u>State</u> / <u>Reception</u> *	<u>TV</u> / <u>AM or FM</u>

* (o -- off the air; cc -- common carrier microwave;
p -- private microwave)

12. Describe as Exhibit C services applicant proposes to offer in addition to regularly rebroadcast signals:

Type of Service	Projected Year	Additional Charge, if any	Hours of Operation	No. of cable Channels used*
-----------------	----------------	---------------------------	--------------------	-----------------------------

* Describe (use additional sheets if necessary; label as Exhibit ____):

Movies, sports events, other (specify)	Fire Alarm
News Ticker	Police Surveillance
Time/Weather scan	Facsimile Reproduction
Sports Ticker	Preference Polling
Stock Market Ticker	Utility Meter Reading
Burglar Alarm	Games and Contests
	Other services (specify)

13. Does applicant plan to offer non-automated local origination programming? yes

If so, when? N/A

Submit as Exhibit D :

- a) Types of programming proposed to be provided (i.e., news, public affairs, sports, etc.) during a typical week;
- b) Approximate number of hours per week for such programming;
- c) State how much programming will serve the specific needs of the area to be served;
- d) How much of this programming does applicant expect will be produced within the area to be served?

14. If applicant intends to provide a non-automated local origination service, describe policy for making time available for discussion of controversial issues of public importance. Attach as Exhibit D.

15. State applicant's best estimate as to the following characteristics of origination facilities for the designated public access channel(s). Attach as Exhibit D.

- a) Time of day that the facility will be available;
- b) Description of facilities and equipment available (including the cost of such equipment and facilities);
- c) Technical assistance available;
- d) Will origination facilities be located within the area to be served?

16. Attach as Exhibit E applicant's proposed procedures for servicing subscriber complaints.

IV. RATES

17. Specify proposed charges to subscribers: see Exhibit G

- a) Installation charge:
- b) Installation charge for any additional hookups in the same residence:
- c) Basic monthly charge to subscribers:
- d) Monthly charge for each additional television hookup:
- e) Special rate(s) for multiple dwelling units, including apartment houses, motels, hotels, office buildings, mobile home parks, etc.
- f) Terminal charges (including converters):
- g) Any other rates or charges:

18. Under what circumstances and at what distance from the trunk line does applicant propose that there will be an additional charge for a subscriber hookup? If the charge will be based solely on distance, state the charge per yard (or foot). If other criteria are (also) to be considered in determining the charge, enumerate the criteria and the subscriber costs. Attach as Exhibit H.

19. Attach as Exhibit I a schedule of fees to access users for production costs and use of origination equipment in excess of five minutes.

20. Attach as Exhibit J a description of the policies which will govern the use of leased access channels, including the number available and charges for use.

V. TECHNICAL INFORMATION

21. Number of usable TV channels: 64

22. Indicate the general system design by checking the relevant categories:

- a) System type: Tree X Hub ___ Loop ___ Other ___
- b) Distribution: Single trunk/feeder x Dual trunk/feeder ___ Other (specify) ___
- c) Two-way: Number of upstream channels 2
- d) Return capability: Digital ___ Audio ___ Video X
- e) Extent of two-way: System wide ___ Trunk only X Other ___
- f) Timing of two-way: Year return capability activated: n/a
- g) Engineering/technical standards: FCC X NCTA X Other ___

File as Exhibit K a complete description of the proposed system, expanding on the above information, and including any data which will assist applicant in demonstrating unique features of proposed system.

23. Does applicant plan to reach certain subscribers selectively? If yes, indicate in Exhibit L techniques to be used, viz, division of subscriber base, etc.

24. Does applicant propose to provide the following equipment at the subscriber terminal:

- a) Converters
- b) Consoles
- c) Other equipment

25. Does the applicant propose to modify the home set in any other way? yes If yes, explain in Exhibit L.

26. Attach as Exhibit n/a applicant's plans with regard to interconnection with other cable systems.

27. Attach as Exhibit M an explanation of safety measures for the proposed system.

VI. APPLICANT AND OWNERSHIP INFORMATION

28. Attach as Exhibit (see attached annual report and Sec. 10K) a certified balance sheet of applicant as of the latest audit, showing applicant's financial position. If the status and composition of any assets and liabilities on the balance sheet are not clearly defined by their respective titles, attach as Exhibit ___ schedules which give a complete analysis of such terms. (It is assumed that the balance sheet will, to the best of applicant's knowledge, represent the applicant's *current* financial status.)

29. If applicant or any party thereof is an applicant or licensee as defined in M.G.L. c. 166A, § 1(e) in any other municipality within Massachusetts, supply as Exhibit N the following information for each such municipality:

- a) Name of municipality
- b) Status of franchise
 - 1) Application pending
 - 2) License granted/system not operational
 - 3) License granted/system operational

30. If applicant or any party to this application is an applicant or licensee outside of Massachusetts, supply as Exhibit O the same information requested in question 29 for each such municipality, including state in which municipality is located.

31. How much insurance does applicant propose to carry for the cable system described in this application? See Exhibit P

32. State the proposed amount of bonding which will be submitted in accordance with M.G.L. c. 166A, § 5(k): \$50,000.00

33. Submit as Exhibit Q the applicant's equal employment opportunity program for the system, indicating specific practices to be followed in order to assure equal employment opportunity for minority groups and women in each of the following aspects of employment practice: recruitment, selection, training, placement, promotion, pay, working conditions, demotion, layoff, and termination.

34. What policies does applicant propose, if any, to assure rights of privacy and rights to information of subscribers and other parties to the use and operation of the system? Questions to be considered:

- a) What procedures does applicant propose, if any, to insure that the subscriber is informed of any information obtained from the use of his or her television set?
- b) Does applicant plan to obtain prior consent of each subscriber before undertaking or permitting others to undertake surveys, polls or other information gathering activities concerning individual subscribers?
(Attach as Exhibit R)

35. If applicant wishes to state any additional information to support its request for a license, attach such a statement as Exhibit S.

a) Attach as Exhibit a copy of applicant's corporate articles of organization, partnership agreement, or other organizational documents.

b) If any ownership interest in the applicant, including but not limited to shares of stock or partnership interests has been or will be sold or otherwise distributed, attach as Exhibit copies of all documents relating to such sale or distribution, including but not limited to stockholder agreements, restrictions on transfer of ownership interests and any provisions for re-acquisition of any ownership interest by the applicant or its affiliates. If any agreement provides for re-acquisition of ownership interests, estimate the amount which will be paid for such re-acquisition. If any agreements, formal or informal, have been or will be entered into whereby the consideration used to acquire an ownership interest in the applicant is supplied, directly or indirectly, by the applicant or its affiliates, such agreements shall be disclosed.

c) If any agreements or other documents called for in Question 35.b. are executed after the deadline for filing amendments to applications, copies of such agreements or documents must be filed with the issuing authority and the Commission within seven days of such execution.

VII. TRANSFER OR ASSIGNMENT

Applicants for transfer (transferee) or assignment (assignee) of an existing license under M.G.L. c. 166A, § 7 must answer the following questions:

36. Name of transferor or assignor:

Street Address

State

Zip Code

37. Date license expires: _____

38. What is the consideration to be given for the proposed transfer or assignment? Attach as Exhibit ___ copies of any and all agreements between transferor/ee and assignor/ee.

39. Give a full statement of transferee's or assignee's reasons or purposes for requesting this license in Exhibit _____.

40. Identify by date and names of parties any contracts entered into by assignor which will be performed by assignee. If any changes will be made in contracts assumed by the assignee, describe fully in Exhibit _____.

41. Attach as Exhibit ___ a certified balance sheet of applicant as of the applicant's last audit.

42. How is the transfer of control to be effected?

- a) Change in classification of voting rights in stock;
- b) Issue of stock or sale of Treasury stock;
- c) Reduction in the outstanding stock;
- d) Other (specify)

43. What specific provisions is applicant making to insure continuity of service to system subscribers during the transfer or assignment? (Attach as Exhibit ____)

44. Does applicant contemplate changes in any of the following areas of system operations within 12 months of the proposed transfer or assignment?

Plant _____ Programming _____

Services _____ Rates _____

Describe these changes fully in Exhibit ____.

Explanation of Attachment 2 (Ownership Information)

There are two data collection goals in the "Ownership Information" section of this form:

- 1) Question 1 asks the applicant to provide a corporate "family tree" with itself at the center.
In simplified fashion, such a "tree" might look like this:

- 2) Questions 2 through 6 must be answered for each of the corporations or other business entities named in Question 1's "family tree", including the corporation which is the applicant (Level 0). Thus, for example, if there is one (1) corporation named in Level 0, two (2) in Level 1, one (1) in Level 2, one (1) in Level 3, two (2) in Level A, and none in Level B, seven sets of questions 2-9 must be filed, one for each of the seven corporations or other business entities identified in the "family tree."
- 3) Question 7 need only be answered to the first level (Level 1).

NOTE TO COMMISSIONERS: Attachment 2 replaces all of Section VI in the original form 100, except question 44, which is added as question 7 here. Attachment 2 is taken from FCC Form 325, slightly modified to meet the needs of this Commission.

ATTACHMENT 2: OWNERSHIP INFORMATION

Read the explanation and special instructions for this section before attempting to answer any of the following questions.

1. Business structure

- a. Check appropriate business format for applicant:
 - (i) Individually owned ____
 - (ii) Corporation serving one community ____
 - (iii) Corporation operating cable systems in more than one community, but these operations are not separate corporations ____
 - (iv) Partnership ____
 - (v) Other (specify) ____
- b. If the applicant is an individual, give the name, city and state of residence, and social security number of the owner, in the space provided, *then continue with question 7*:

_____ Name	_____ Social Security No.
_____ City	_____ State

- c. "Family Tree" (See explanatory model with instructions)
For each corporation or other business entity in the "family tree," indicate name, city and state of principal office, and employer identification number (E.I.).

(i) Level 0

_____ Applicant	_____ City	_____ State	_____ E.I. Number
--------------------	---------------	----------------	----------------------

If this applicant is a single corporate entity operating cable systems in more than one community, but these operations are not separate corporations, list below the community, county, and state of all of the systems operated in this manner.

(ii) Level 1

Provide the indicated information for any corporation or other business entity that owns 25% or more of the voting stock of the reporting cable system named in Level 0:

_____ Name	_____ City	_____ State	_____ E.I. Number
---------------	---------------	----------------	----------------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

(iii) Level 2

Provide the indicated information for any corporation or other business entity that owns 25% or more of the voting stock of the entity or entities named in Level 1. In each case, indicate which entity in Level 1 is the subsidiary of the entity named in Level 2:

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

(iv) Level 3

Provide the indicated information for any corporation or other business entity that owns 25% or more of the voting stock of the entity or entities named in Level 2. In each case, indicate which entity in Level 2 is the subsidiary of the entity named in Level 3:

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

(v) Level A

If the applicant (Level 0) owns 25% or more of the voting stock of any corporation or other business entity, provide the indicated information:

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

(vi) Level B

If the entity or entities named in Level A owns 25% or more of the voting stock of a corporation or other business entity, provide the indicated information. In each case, indicate which entity in Level A is the parent of the entity named in Level B.

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Name	City	State	E.I. Number
------	------	-------	-------------

Questions 2 through 9 should now be answered for each of the corporations or other business entities named in the preceding "family tree."

Name of Business Entity Reporting Below	City	State	E. I. No.

2. Capitalization (Only applies to corporations)

Class of Stock (preferred, common, or other)	Voting or non-voting	Number of Shares			
		Authorized	Outstanding	Treasury	Other

3. Officers, directors, and ownership interests. (For partnership, list the name, social security number, city and state of residence, and percent of interest in the partnership of each general or limited partner. For corporations, list all officers and directors (whether or not they own stock) and stockholders who own 1% or more of the voting stock of the corporation. If an ownership interest exists, record this to the nearest whole percent based on the total number of outstanding shares of voting stock in the corporation, exclusive of treasury stock. Where stock is held by a stockholder in a street name, this fact should be noted, but no further information concerning such stockholder need be furnished.

(Complete chart)

Name	Address	City/State	Social Security or E.I. no.	Corporate Position	% Interest

4. If there is any close family-relationship (i.e., husband-wife, parent-offspring, brothers, sisters, or brother-sister) between any of the officers, directors, or stockholders listed in Question 3 of 207 CMR 7.01, list below the name of the persons and the relationship.

Name		Name of related person	Relationship

5. If any of the corporate stock listed in Question 3 of 207 CMR 7.01 is held for any other person who is the beneficial owner of the stock, list below the name of the beneficial owner and the name of the person who votes the stock (e.g., trustee, executor, or custodian).

Name of person voting stock	Name of beneficial owner	City	State	Social Security or E.I. number

6. Has any person named in Question 3, 4, or 5 of 207 CMR 7.01 been found guilty of any felony in any federal or state court within the past ten years? _____

7. If the answer is yes, submit as Exhibit _____ a statement disclosing the person and matters involved and identifying the court and proceeding by date and file numbers.

8. If any persons listed in Questions 3, 4, or 5 are aliens, submit as Exhibit _____ a list of their names, addresses, and nationalities.

9. If the applicant is unable to supply all of the information requested in 207 CMR 7.01 for itself and all of the corporations or other business entities named in question 1(c) ("family tree"), submit as Exhibit _____ a list of those persons or business entities for which any of the requested information is not being furnished and include a detailed explanation of why the omitted material is unavailable.

10. If any of the persons, corporations, or other business entities named in Questions 1(b) and (c), 3, or 5 of 207 CMR 7.01 is a stockholder owning 5% or more of the voting stock of any communications entity of the type described below, or is an officer, director, partner or individual owner of such an entity, fill in the appropriate information. If the interest is a fiduciary one, e.g., trustee, check column F. Record ownership interests to the nearest whole percent (based on the total number of outstanding shares of voting stock, exclusive of treasury stock, in case of corporation).

a. Interests in any AM, FM, or television broadcast licensee or permittee.

Name of individual/entity having ownership interest	Name of broadcast entity	Call letters	AM, FM, or TV	Nature of Interest	% Voting Interest	F

b. Interests in other cable television systems. (Do not include non-operating franchises)

Name of individual/entity having ownership interest	Name of cable television entity	City	State	Nature of Interest	% Voting Interest	F

c. Interests in manufacturers of cable television equipment.

Name of individual/entity having ownership interest	Name of cable television equipment manufacturer	City	State	Nature of Interest	% Voting Interest	F

d. Interests in communications common carriers.

Name of individual/entity having ownership interest	Name of communications common carrier	City	State	Nature of Interest	% Voting Interest	F

e. Interests in daily newspapers.

Name of Individual/entity having ownership interest	Publisher's Name	Published for		Nature of Interest	% Voting Interest	F
		City	State			

11. List for level one of ownership tracking, those who hold 10% or more of the outstanding indebtedness as of the date of this application:

	Name of Creditor <u>holding indebtedness</u>	<u>Amt. in \$</u>	% of total outstanding <u>indebtedness</u>	<u>Terms</u>
A.	Bonds			
B.	Loans			
C.	Notes			
D.	Mortgages			
E.	Other

EXHIBIT D

NON-AUTOMATED LOCAL ORIGINATION PROGRAMMING

Adelphia currently provides local programming that typically involved sports, community, events, public meetings and other matters of local interest. The local origination programs have included: cooking, documentaries, educational, talk, business, exercise, political, comedy, public service, legal, arts, music and sports. Adelphia has addressed areas of local community importance through its local origination programming.

The existing studio is located at 280 Plymouth St., Suite #8, Halifax, MA. The studio is staffed by one full time employee and is available for use by any resident of Halifax and Plympton. Adelphia's role is to coordinate and provide TV production workshops to residents, assist in access productions when available, cablecast local origination and access programming, provide, maintain and update a Community bulletin board and schedule facility, equipment, and channel time use on a first come, first served basis.

The studio's hours are Monday through Friday from 9 AM to 5 PM. Volunteers may use the studio at any other time by making arrangements with the Studio Coordinator.

The channel is cablecast an average (during peak times) of 30 hours per week. There are currently ten (10) volunteers who use the studio. Five of these volunteers use the studio actively.

It is Adelphia's policy of the applicant to make time available on an access channel for discussion of controversial issues. Time will be made available on a first come, first serve basis and will be in compliance with the requirements of the Federal Communications Commission. Any dispute concerning programming time among access users shall be referred to management for resolution.

Adelphia will follow the Local Public Access Policy and Procedures currently in effect and will adhere to all requirements of the license for these communities regarding local access. The provisions of this policy comply with applicable federal regulations and provide that nondiscriminatory access will be made available to all members of the community.

EXHIBIT E

COMPLAINT PROCEDURE

Applicant will continue to follow the Subscriber Complaint Procedures currently in place. Service complaints may be telephoned to a 24-hour, 7 day a week number (781) 826-0100. The telephones are currently staffed by an Adelphia Cable employee from 7:30 AM to 9:30 PM, Monday through Friday and 9 AM to 5 PM Saturday.

An Adelphia Call Center receives the calls at all other times. During "non-business" hours, there is a qualified service technician on call who will receive the calls from the Call Center and respond to the call. Total system outages and service interruptions that affect a large number of customers will receive top priority and will be corrected as soon as possible. Other service problems, such as fuzzy pictures, lines and ghosts, will be assigned a lesser priority and correct usually within one working day. If total service cannot be restored within 24 or more consecutive hours, a pro rata credit or rebate will be given to the customers, in accordance with CMR 207, Section 10.

Billing complaints may be telephoned to our Customer Service Representatives during business hours. If the problem cannot be solved over the telephone, a written complaint may be filed and a response will be made within 15 days. All complaints will be processed in accordance with Section 10, Chapter 166A of MGL.

All appropriate telephone numbers and addresses for filing a customer complaint are listed on the customer's bill.

EXHIBIT G

(see attached)

EXHIBIT H

LINE EXTENSION POLICY

Adelphia will serve all residents of Plympton that reside along our cable routes and are within 150 feet of the existing trunk line. Beyond 150 feet, we will charge the residents the actual labor and material cost of the additional footage beyond 150 feet.

EXHIBIT I

PUBLIC ACCESS CHARGES

Adelphia will have no charges for Public Access.

EXHIBIT J

LEASED ACCESS

Adelphia will abide by all policies and procedures in accordance with F.C.C. Rules and Regulations; Section 612 [47 U.S.C. 532].

EXHIBIT K

Description of System: The cable system serving Plympton is recently upgraded 450 Mhz system with a total current plant mileage of 32 miles.

The headend is located in Pembroke on Learning Way. The headend has a generator for electrical power in the event of an interruption in commercial electrical power. The headend uses prime focus parabolic earth stations.

EXHIBIT L

SELECTIVE SUBSCRIBER TECHNIQUES

Adelphia uses CATV converters/descramblers to selectively deliver premium channel and pay-per-view services and the Company intends to continue to do so in the future. Most of the equipment used will be system wide.

EXHIBIT M

SAFETY MEASURES

Adelphia intends to continue to follow the safety programs currently in place. Occupational Safety and Health Administration's standards, as well as Federal Communications Commission's Specifications will be observed. All employees, both administrative and technical will receive safety training. In particular, technical personnel will be trained in the safe use of their tools, equipment and vehicles.

A copy of Adelphia's Cable Safety Manual is available at the Adelphia office for review.
