Dear Mr. Cristy,

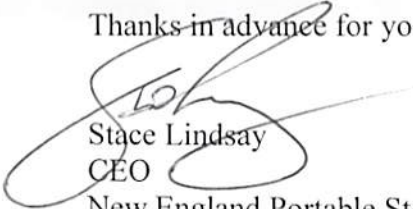

I was recently issued Certificate No. 31105 for the transportation of household goods, conditional upon my returning certain documents to your office.

It is my pleasure to submit the following to you to complete this process:

- 1) \$100 filing fee
- 2) Two copies of my transportation fees
- 3) Certificate of insurance verifying that I have the required coverage
- 4) Copy of my truck registration receipt which provides operating authority for my vehicles in MA, NH and RI which I understand is sufficient to meet your need for an identification vehicle in each of my vehicles.

Please feel free to contact me directly if there is anything else I must take care of to complete this application.

Thanks in advance for your help
