Re: \$409,530,000 Massachusetts Water Pollution Abatement Trust ("Issuer")
State Revolving Fund Bonds, Series 14 (the "Bonds")

Arbitrage Rebate Liability for the Period March 18, 2009
Through March 18, 2014 (the "PFM Report")

Ladies and Gentlemen:

At your request, we have reviewed the Report with respect to the investment of gross proceeds of the Bonds for the above-referenced period. The calculations in the Report have been prepared by PFM Asset Management LLC ("PFM").

We have reviewed the following documents and records:

1. the portions of the Official Statement detailing the maturity dates and redemption provisions relating to the Bonds; and
2. the No Arbitrage Certificate with respect to the Bonds dated March 18, 2009, including the exhibits thereto.

With your consent, we have relied on, without independent verification, the information that is contained in the PFM Report and the prior rebate report prepared by Deloitte Tax LLP dated March 31, 2011 (the "Deloitte Report" and, together with the PFM Report, the "Report"). We express no opinion as to the completeness, accuracy or suitability of such information for such purposes contained in the Report.

Based on and subject to the foregoing, and subject to the Notes and Computational Information contained in the PFM Report, it is our opinion that the methodologies used in computing the rebate liability in the PFM Report are in conformity with the provisions of Section 148(f) of the Internal Revenue Code of 1986, as amended and the United States Treasury Regulations (the "Regulations") effective as of July 1, 1993 (based upon

April 17, 2014

the Issuer's election to apply the Regulations published May 18, 1992), and that the assumptions used in computing the rebate liability are reasonable.

The opinion expressed herein is based on an analysis of applicable laws, regulations and rulings. The Department of the Treasury may publish additional regulations and supplement, amend or interpret such laws, regulations and rulings from time to time, with the result that the amount of rebate liability described in the Report may be subject to adjustments under such future pronouncements.

The scope of our engagement was limited to preparing this letter based on information supplied to us by PFM and the information contained in the Report. We have assumed without investigation the accuracy of the information set forth in the Report and that the Report was prepared in accordance with applicable federal law and regulations and is mathematically and legally accurate. We have not consulted with the Issuer or the Issuer's Bond Counsel regarding any such matters. Our engagement did not include work performed by prior counsel, if any, determination of whether securities allocable to proceeds of the Bonds were purchased at fair market value within the meaning of the Regulations, an audit of the investments acquired with the gross proceeds or the payment of debt service on the Bonds or an independent determination of which funds were subject to or exempt from rebate. With your permission, we have relied entirely on information provided by PFM without independent verification, and we express no opinion as to the completeness, accuracy, or suitability of such information for purposes of calculating rebate liability with respect to the Bonds. We have undertaken no responsibility to audit or review the tax-exempt status of interest on the Bonds or any other aspect of the Bond program and express no opinion as to the exclusion of the interest on the Bonds from gross income for purposes of federal income taxation and with respect to any arbitrage, rebate or yield restriction compliance of any other tax-exempt obligations that have been refunded by the Bonds or that have refunded the Bonds. No opinion is expressed on any matter other than as set forth above, and we are under no obligation to consider any information obtained by us pursuant to this engagement for any purpose. Also, we have no obligation to update this opinion because of any events occurring, changes in existing laws, regulations, or rulings or interpretations thereof, or data or information received, subsequent to the date hereof.

We are furnishing this letter to you solely for your benefit. This opinion is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person without our prior written consent.

Very truly yours,

\$409,530,000

Massachusetts Water Pollution Abatement Trust
State Revolving Fund Bonds
Series 14

Liability for the period of March 18, 2009 to March 18, 2014

PFM Asset Management LLC (“PFMAM”) has completed an arbitrage rebate and yield restriction compliance analysis (the “Report”) for the above-captioned bonds (the “Bonds”) for the above-captioned period (the “Computation Period”). The Report has been prepared in accordance with the applicable sections of the Internal Revenue Code and the related Federal Regulations in effect during the Computation Period, and is also based on the assumptions described in the attached “Notes and Computational Information.”

The Report was based on an analysis of existing laws, regulations, and rulings. The Department of the Treasury (“Treasury”) may publish additional regulations and supplement, amend, or interpret such laws, regulations, and rulings from time to time, with the result that the amount of the liability described in the Report may be subject to adjustment under such future pronouncements.

In connection with the preparation of the Report, we performed the following tasks:

- (1) Read applicable bond documents.
- (2) Recalculated the bond yield and compared and confirmed agreement to the relevant bond documents.
- (3) Analyzed investment and expenditure records for the various bond related funds that are subject to the arbitrage rebate and yield restriction requirements.
- (4) Evaluated and applied any available exceptions that would reduce the liability on the Bonds.
- (5) Calculated the liability with respect to the Gross Proceeds of the Bonds.

The only Gross Proceeds that were treated as subject to the arbitrage rebate and yield restriction requirements with respect to the Bonds were the Gross Proceeds and allocable investments identified in the information provided to undertake the preparation of the Report. Unless specifically addressed herein, no other proceeds or amounts were treated as Gross Proceeds of the Bonds.

In addition, this Report is based on the information set forth in the prior rebate report prepared by Deloitte Tax LLP, dated March 31, 2011 (the "Prior Report"). We have not attempted to independently confirm, verify, examine or recalculate the information set forth in the Prior Report, other than the information set forth herein, nor have we consulted with the Issuer or the Issuer's bond counsel regarding such matters. As such we have assumed that the information in the Prior Report is mathematically and legally accurate.

With your permission, we have relied entirely on the information provided. No opinion is expressed on any matter other than the extent of the liability set forth below, and we are under no obligation to consider any information obtained by us pursuant to this engagement for any purpose other than determining such liability.

In our opinion, the computations set forth in the Report are mathematically accurate, and were performed in accordance with the applicable sections of the Internal Revenue Code and the related Federal Regulations in effect during the Computation Period. The results of our computations are as follows:

As of the Installment Computation Date of March 18, 2014:

ARBITRAGE REBATE LIABILITY

Allowable Yield on Investments:	4.148681%
Aggregate IRR on Investments:	4.229543% ¹
Excess Yield:	0.080862%
Arbitrage Rebate Liability:	\$0.00

YIELD RESTRICTION LIABILITY

Allowable Yield on Investments:	4.149681%
Aggregate IRR on Investments:	4.137512% ¹
Excess Yield:	-0.012169%
Yield Restriction Liability:	\$0.00

As indicated above, the Gross Proceeds of the Bonds have not accrued a liability during the Computation Period.

This letter is intended solely for the information of, and assistance to you, in connection with the determination of the arbitrage and yield restriction liability. It is not to be used, referred to or distributed for any other purpose.

We have no responsibility to update this letter for events and circumstances, including changes in regulations or interpretations thereof, occurring after the date of this letter.

Very truly yours,

PFM Asset Management LLC

Arbitrage Rebate & Yield Restriction Compliance Analysis

NOTES AND COMPUTATIONAL INFORMATION

General Information

1. The Dated Date of the Bonds is March 18, 2009.
2. The Issue Date of the Bonds is March 18, 2009.
3. The Bonds constitute one issue for federal taxation purposes and are not treated as part of any other issue of governmental obligations.
4. The end of the first Bond Year with respect to the Bonds is March 18, 2010. Subsequent Bond Years end on each successive March 18, until the final maturity date of the Bonds.
5. For investment cash flow, debt service, and yield computation purposes, all payments and receipts are assumed to be paid or received, respectively, as shown in the attached schedules.
6. For bond years ending on or after September 26, 2007, we have applied the computation date credit amounts as set forth in Section 1.148-3(d)(4) of the Proposed Regulations published by the Department of the Treasury in the Federal Register on September 26, 2007.
7. We have determined the Cumulative Rebate Liability pursuant to Treasury Regulations generally applicable to tax-exempt obligations issued after June 30, 1993.

Arbitrage Yield

8. The arbitrage yield with respect to the Bonds is 4.148681%. Computations of the arbitrage yield are based on a 30/360-day basis with semi-annual compounding.

Investments

9. The purchase price of each investment is at fair market value, exclusive of brokerage commissions, administrative expenses, or similar expenses and is representative of an arm's length transaction, which did not reduce the rebate amount required to be paid to the United States.
10. The valuation of the non-purpose investments allocable to the Gross Proceeds of the Bonds is consistent with the requirements set forth in Treasury Regulations Section 1.148-5(b) and 1.148-5(d).
11. We have treated any local governmental investment pools ("Pools") in which Gross Proceeds of the Bonds have been invested as "External Commingled Funds" within the meaning of Treasury Regulations Section 1.148-5(e)(2)(ii)(B), without independent assessment on our part. Accordingly, we have treated the administrative costs related to any such Pools as "qualified administrative costs" within the meaning of Treasury Regulations Section 1.148-5(e).

Arbitrage Rebate & Yield Restriction Compliance Analysis

Refunding/Transferred Proceeds

12. The Bonds are “refunding” bonds. Proceeds of the Bonds discharged principal of the Interim Loans and borrower Bond Anticipation Notes (the “Refunded Loans and BANs”) made to certain Borrowers to fund or refinance such Borrowers’ projects. As proceeds of the Bonds are used to redeem principal of the Refunded Loans and BANs, unspent proceeds of the Refunded Loans and BANs are treated as transferred proceeds of the Bonds. No unspent proceeds of the Refunded Loans and BANs are treated as transferred proceeds of the Bonds.
13. The Bonds are not “refunded” bonds.

Funds & Accounts

14. Gross Proceeds of the Bonds were allocated to the following Funds and Accounts during the Computation Period:
 - Equity Fund (To Refund Loans & BANs)
 - Project Accounts
 - Rebate Fund
 - Revenue Fund
 - Debt Service Fund
 - Debt Service Reserve Fund
15. The Gross Proceeds of the Bonds allocated to the above-referenced Funds and Accounts were allocated to expenditures in accordance with the requirements set forth in Treasury Regulations Section 1.148-6(d).
16. We have applied the provisions of the Universal Cap in accordance with Treasury Regulations Section 1.148-6(b)(2). Consistent with the Prior Report, we have treated 48.857% of the Gross Proceeds allocable to the Debt Service Reserve Fund as allocable to the Bonds from the Issue Date to March 18, 2011. As a result of applying the Universal Cap on the first bond year (March 18, 2011) that commences after the second anniversary date (March 18, 2011) of the issue date, 100% of the Gross Proceeds are allocable to the Bonds beginning on March 18, 2011.

Exceptions to Rebate

17. The Revenue Fund and Debt Service Fund together constitute a “bona fide” debt service fund within the meaning of Treasury Regulations Section 1.148-1. Therefore, the Revenue Fund and Debt Service Fund are treated as exempt from arbitrage rebate and yield restriction.

Yield Restriction Compliance

18. The Debt Service Reserve Fund does not constitute a “reasonably required reserve or replacement fund” within the meaning of Treasury Regulations Section 1.148-2(f). Therefore, the portion of the Debt Service Reserve Fund in excess of the size limitation set forth in Treasury Regulations Section 1.148-2(f)(2)(ii) is treated as subject to the yield restriction requirements.
