Notifications

- POST will send notifications to agencies on July 1
- Each agency will be able to access a “Recertification Packet” through the JIRA Portal
 - Individual(s) who submitted information will be able to access and download the recertification packet
 - Packet includes summary report and individual officer’s notifications
 - POST is asking that agencies distribute to individual officers and keep a copy of these notifications in each officers’ personnel file

Certification Status on Website

- On the week of July 5, we anticipate posting on our website a report that lists:
 - Last Name, First Name, Certification Status (by Agency)
 - Last Name, First Name by Certification Category
- “Understanding Your Certification Status” web page
 - Will explain how to submit updates to POST (i.e., conditional certifications)
- Will update certification lists at end of each month or quarter (as deadlines expire, allow 15 days for processing)

Conditional Certifications

- Immediate deadline is July 15, 2022 for agencies that submitted requests for extension
- Next deadline for meeting certain conditions is September 30, 2022 (90 days after initial deadline)
- POST asks that agencies notify POST prior to the conclusion of the period
- POST will continue to request, capture, manage and process information regarding the certification status
